## RE/MAX MOVES INTO THE NO. 2 POSITION IN CANADA

The Totals have been tallied and RE/MAX has emerged the clear winner for the second spot in Canada's 1985 real estate brokerage market, beating out Century 21 and jumping from fourth last year to finish an impressive second. RE/MAX gained considerable ground on top-ranked Royal LePage, but the story's much bigger than that. In the first place, it's interesting to note that it took the merger of two of the industry's oldest conventional realtors to outdistance RE/MAX. The recently published statistics in both the Financial Post 500 and the Canadian business 500 paint a striking and dramatic picture. Compared to the 1984 figures, RE/MAX CANADA realized a 95.4% increase in fees and commissions during 1985. The phenomenal growth of RE/MAX as reported in these publications during the past few years is shown below.

(The top 10 organizations in real estate sales is reported each year)

YEAR	FEES & COMMISSIONS \$ MILLION	RE/MAX RATINGS RANKING AMONG TOP 10	% INCREASE
1985	214.1	2	95.4
1984	109.5	4	62.3
1983	67.5	6	229.3
1982	20.5	7	26.5

RE/MAX NOW HAS 13,000 AGENTS IN MORE THAN 900 OFFICES IN 43 STATES AND EVERY PROVINCE IN CANADA. THE CANADIAN RE/MAX ASSOCIATES MAKE UP 40% OF THE OVERALL NETWORK.
