

Campaign kickoff

United Way of York Region kicked off its 1986 campaign last Saturday with a marathon relay run from Bradford to Thornhill by way of Yonge St. At left, runners, politicians and other officials gather near the finish line at the Promenade mall. At right, Shannon Cooney of Unionville who ran the 25th mile, smiles after completing her portion of the run. Kurt Gengenbach, also of Unionville, ran the 24th mile.
