**E**ven if you already know how to bake, you need Baker's Secret. Why? Because the way you learned to bake is obsolete. Now, you don't have to waste hours and hours turning out great breads and cakes and cookies. As Julia Aitken says, "Baking has finally come age. It's fast, simple and fun." With Julia's wonderful new book (the first really new baking cookbook in ages) you can bake almost anything with less than half an hour's preparation. And that's good news for today's cook. Who has time for old-fashioned baking anymore?

### About 10 cents a recipe and tons of help for FREE

At just \$11.95 (plus postage and handling) Baker's Secret is a steal. Because you get over 100 super easy recipes for cookies, brownies, breads, muffins, cakes, fancy gateaux, munchies, trifles, short bread, rolls, tarts, tartlets, delicious gooey puddings, baking ideas from abroad and loads of things to bake for kids. And Julia Aitken makes it all so easy.

### Best of all, you learn how to bake so many wonderful things in a hurry.

Julia Aitken's Baker's Secret is just jammed with "quick" tips, new ideas, useful suggestions and facts about all the new and wonderful baking equipment available in stores — which you can buy or not. You can get along just fine with what you have now if you like.

## Meet Julia Aitken

Julia Aitken not only knows more about baking than anyone else, she knows how to teach it. And how to make baking quick and easy. In short order, you'll be baking all sorts of things without wasting a lot of time. Julia also shows you how to make everything taste just delicious. In fact, making things taste great is Julia's job. She's the editor of the International, award winning A La Carte magazine and a regular contributor to Recipes Only. Julia Aitken also knows how to write: Baker's Secret is a 'fun' read.

### NO-RISK GUARANTEE

You must be absolutely delighted with Baker's Secret or just return it in good condition within 90 days for a complete refund of your purchase price.
