READY-TO-ASSEMBLE EUROPEAN STYLED

CABINETS

Designed for decorator tastes with saving money in mind, because you can carry them home and assemble them yourself. Cabinets are made of durable white melamine and are faced with doors in a textured parchment colour, trimmed top and bottom with Solid Oak. All doors feature fully adjustable three way hinges allowing for an easy professional looking installation. The result is an inexpensive European styled kitchen or storage area. Designing your layout is easy. Choose what modules you need and carry them home.
