

Gladys Rolling chosen for board

Mrs. Gladys Rolling of Mount Albert has been appointed to the York Regional Housing Authority. Alvin Curling, Minister of Housing, announced this week.

Mrs. Rolling, who operates a municipal consulting business,

Construction on increase

STOUFFVILLE — The building boom continues in Whitchurch-Stouffville with no let-up anticipated through the remainder of 1986.

To the end of June, 192 new dwellings had been erected in Town, Chief Building Official Bruce Arrowsmith told a committee meeting of Council. This compares to 111 for the same period last year. The value of construction has soared to over \$25 million, compared to just under \$22 million in 1985.

In the second quarter alone, (April-June), value of construction is \$19,410,000.

Mr. Arrowsmith makes the following comparisons, using second quarter figures and statistics for the same period last year.

Number of building permits issued, (up 32%). Building permit fees received, (up 33%). Value of construction, (up 38%). New single-family dwellings, (up 48%).

For the year to date, the following increases are noted.

Number of building permits issued, (up 46%). Building permit fees received, (up 9%). Value of construction, (up 15%); new single-family dwellings, (up 73%).

Concludes Mr. Arrowsmith: "It is expected that with a continuing stable economy that moderate increases in construction and development will be experienced within the municipality until at least 1987-1988."

Mr. Arrowsmith makes the following comparisons, using second quarter figures and statistics for the same period last year.

will serve as a federal representative on the nine-member authority that manages Ontario Housing Corporation's 872 assisted housing units in Aurora, Georgina Township, King Township, Newmarket, Richmond Hill, Vaughan and Whitchurch-Stouffville.

The federal, provincial and municipal governments nominate individuals for appointment to the housing authorities by provincial orders-in-council. The province appoints the housing authority chairman.

The day-to-day management of OHC's 84,000 housing units is carried out by local housing authorities, although the primary responsibility for assisted housing remains with OHC.

Mr. Curling said: "By volunteering their time to serve on the local housing authority, private citizens such as Mrs. Rolling are helping to ensure that Ontario's

assisted housing program is sensitive and can respond to the needs of the many communities it serves."

The York Regional Housing Authority manages 862 senior citizens assisted housing units and 10 units for low-income families. The authority also provides housing for physically, developmentally and psychiatrically handicapped persons who are capable of living on their own.

attempt will be made to locate a downtown 'home' for Santa Claus this Christmas.

The Business Improvement Area board, at a meeting recently, agreed that St. Nick should visit the various downtown stores one at a time rather than remain at a single location as has been the practice in the past.

At the same time, an attempt will be made to locate a downtown 'home' for Santa where he can rest awhile or remain after-hours, the board agreed.

Each merchant will arrange for his/her own refreshments and gifts, members said. George Ross Studio in Stouffville will be contacted with regard to photos.

Santa on the move

In this area Bramalea Limited has three residential developments underway: 'The Neighborhoods' at Unionville and 'Hunters' Ridge' and 'Summer Hill' in Pickering.

HYUNDAI VALUE IS AN EVERYDAY PHILOSOPHY. NOT A ONCE-A-YEAR NUMBERS GAME.

This is the season for seat sales, cash rebates and slashed interest rates. But juggling numbers isn't our way. At Hyundai, we believe that value is what goes into a car, not what comes off to make it sell. We believe in showing you exactly what you get in a Hyundai Pony, Stellar or Excel and telling you exactly what it costs. Our customers tell us it's the only honest game in town.

PRACTICAL EXAMPLE: PONY 'L' HATCHBACK: \$6595.00*

The Hyundai Pony has 5 doors and 5 Michelin all-season, steel-belted radial tires (including the full-size spare). It has reclining front bucket seats and power-assisted brakes, quartz halogen headlights and (with the rear seat folded) 26 cubic feet of very accessible cargo space. Add 24 more no-extra-cost features and you'll know why it's Canada's all-time, all-round family favourite.

LUXURY EXAMPLE: STELLAR 'SL' SEDAN: \$9595.00*

The Hyundai Stellar four-door sedan: stylish, impressive, remarkably comfortable, loaded with thoughtful touches like an engine compartment service light, trunk light, tinted safety glass and cloth upholstery. The list goes on but the price doesn't go up. Because Hyundai is in the automobile business, not the "extra" business. With the exception of options like air conditioning, one modest price covers everything.

FUN EXAMPLE: FRONT-WHEEL-DRIVE EXCEL 'GL' HATCHBACK: \$7995.00*

The front-wheel-drive Hyundai Excel (five-door hatchback or four-door sedan) features a 1.5 litre overhead cam engine, rack and pinion steering, electronic ignition and diagonal-design braking system. The technology is modern and the driving is fun. Count the more than 40 comfort, safety and convenience features that don't cost you an extra penny and you'll come to a very simple conclusion: at this price, the Excel has no competition.

HYUNDAI

*MSRP. Does not include taxes, freight and PDI. G.L. model does not include wheel covers as shown.

Honored

STOUFFVILLE — Jonathan Clarke, son of Doug and Margaret Clarke, R.R. 4, Stouffville, will be one of 32 Ontario students attending a Hi-Tech Course in Ottawa, Oct. 20-24.

The cost will be covered by the Stouffville Rotary Club. Six students applied. The choice of Jonathan was announced Monday by Principal Peter Bright.
