Sound investment? It's not. The Bolton Tremblay International Fund is a professionally managed and internationally diversified investment fund which has averaged better than 20% over the last ten years.

1 Year	33.5%
2 Years	31.5%
3 Years	31.5%
4 Years	31.5%
5 Years	31.5%

Figures based on the Fund's average annual growth as reported in the Financial Times, July 31, 1986. Of course, past performance is no guarantee of future results, but it is an important factor to consider when deciding the best way to make your money grow.
