

Helping with relish

John Gale, left, slathers relish on his sausage-on-a-bun as John Kehoe, Canadian Imperial Bank of Commerce Account Manager cuts a bun at a C.I.B.C. food stand. The event was a fundraiser for York Region United Way. As well, the employees supplied bake goods for a sale on the site and charged a toll for cars as they exited. The bank is on Woodbine Ave. just north of Steeles.

BRIGITTE HUBER

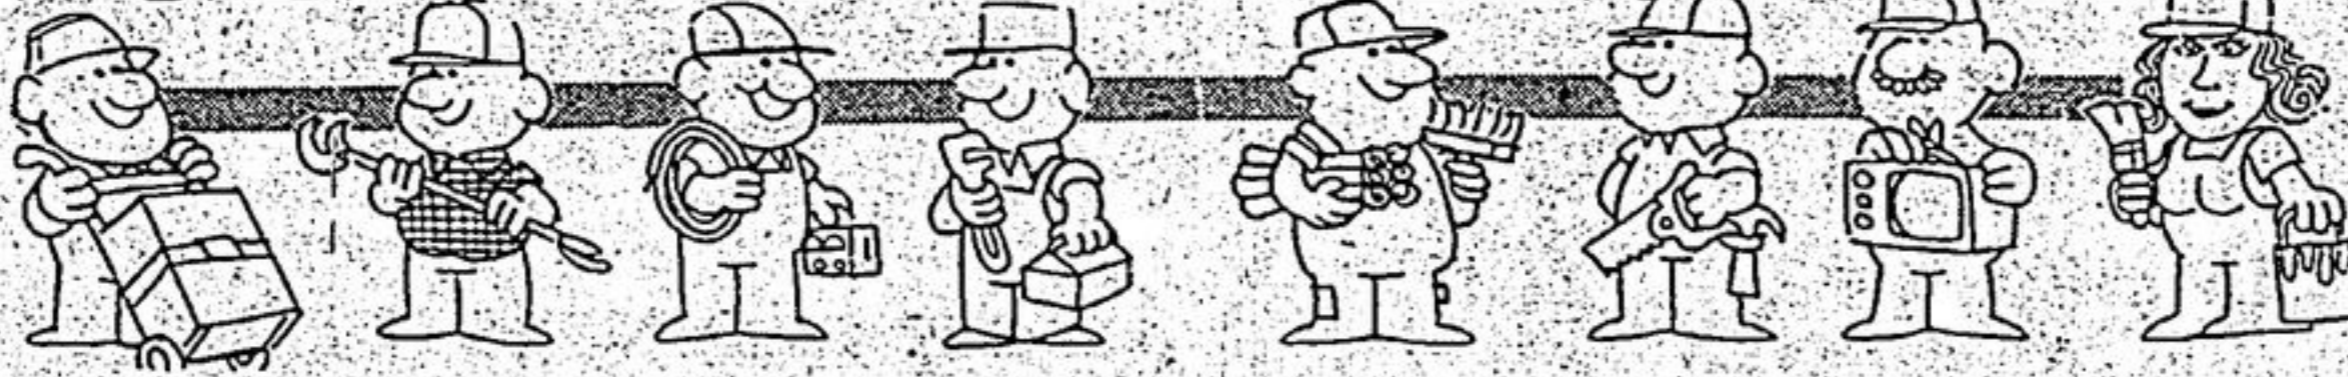

I am sure that many of you readers may already know of me either through your children or my grooming facilities. There is a greater awareness today of the numerous benefits pets provide children, adults and the elderly. Pets Are People Too opened in December of 1985 in recognition of these needs. To many my business has already become both a delightful place to visit as well as a learning experience. It takes a tremendous amount of love, devotion and time to operate a specialized business of brokering purebred puppies & kittens. Every minute is worth it when I see the delight and joy that my pets have given to so many.
