### Aerobathon raises more than \$47,000

Markham's Mayfair Racquet Club helped raise more than \$47,000 for the Toronto Sick Children's Hospital.

The money was raised through pledges by over 400 people participating in an aerobathon held Sept. 7 at Mayfair Parkway Racquet Club on Steelcase Rd.

In a recent on-air presentation, aerobic instructors Mandy Tarder and Franca Natola presented CKFM's Don Daynard with a cheque for \$47,330 for CKFM's Children's Fund.

The aerobathon attracted participants from every major fitness club in the Toronto area. In its third year at the Mayfair Parkway Racquet Club, this year's aerobathon was the most successful to date raising more than three times as much money as last year.

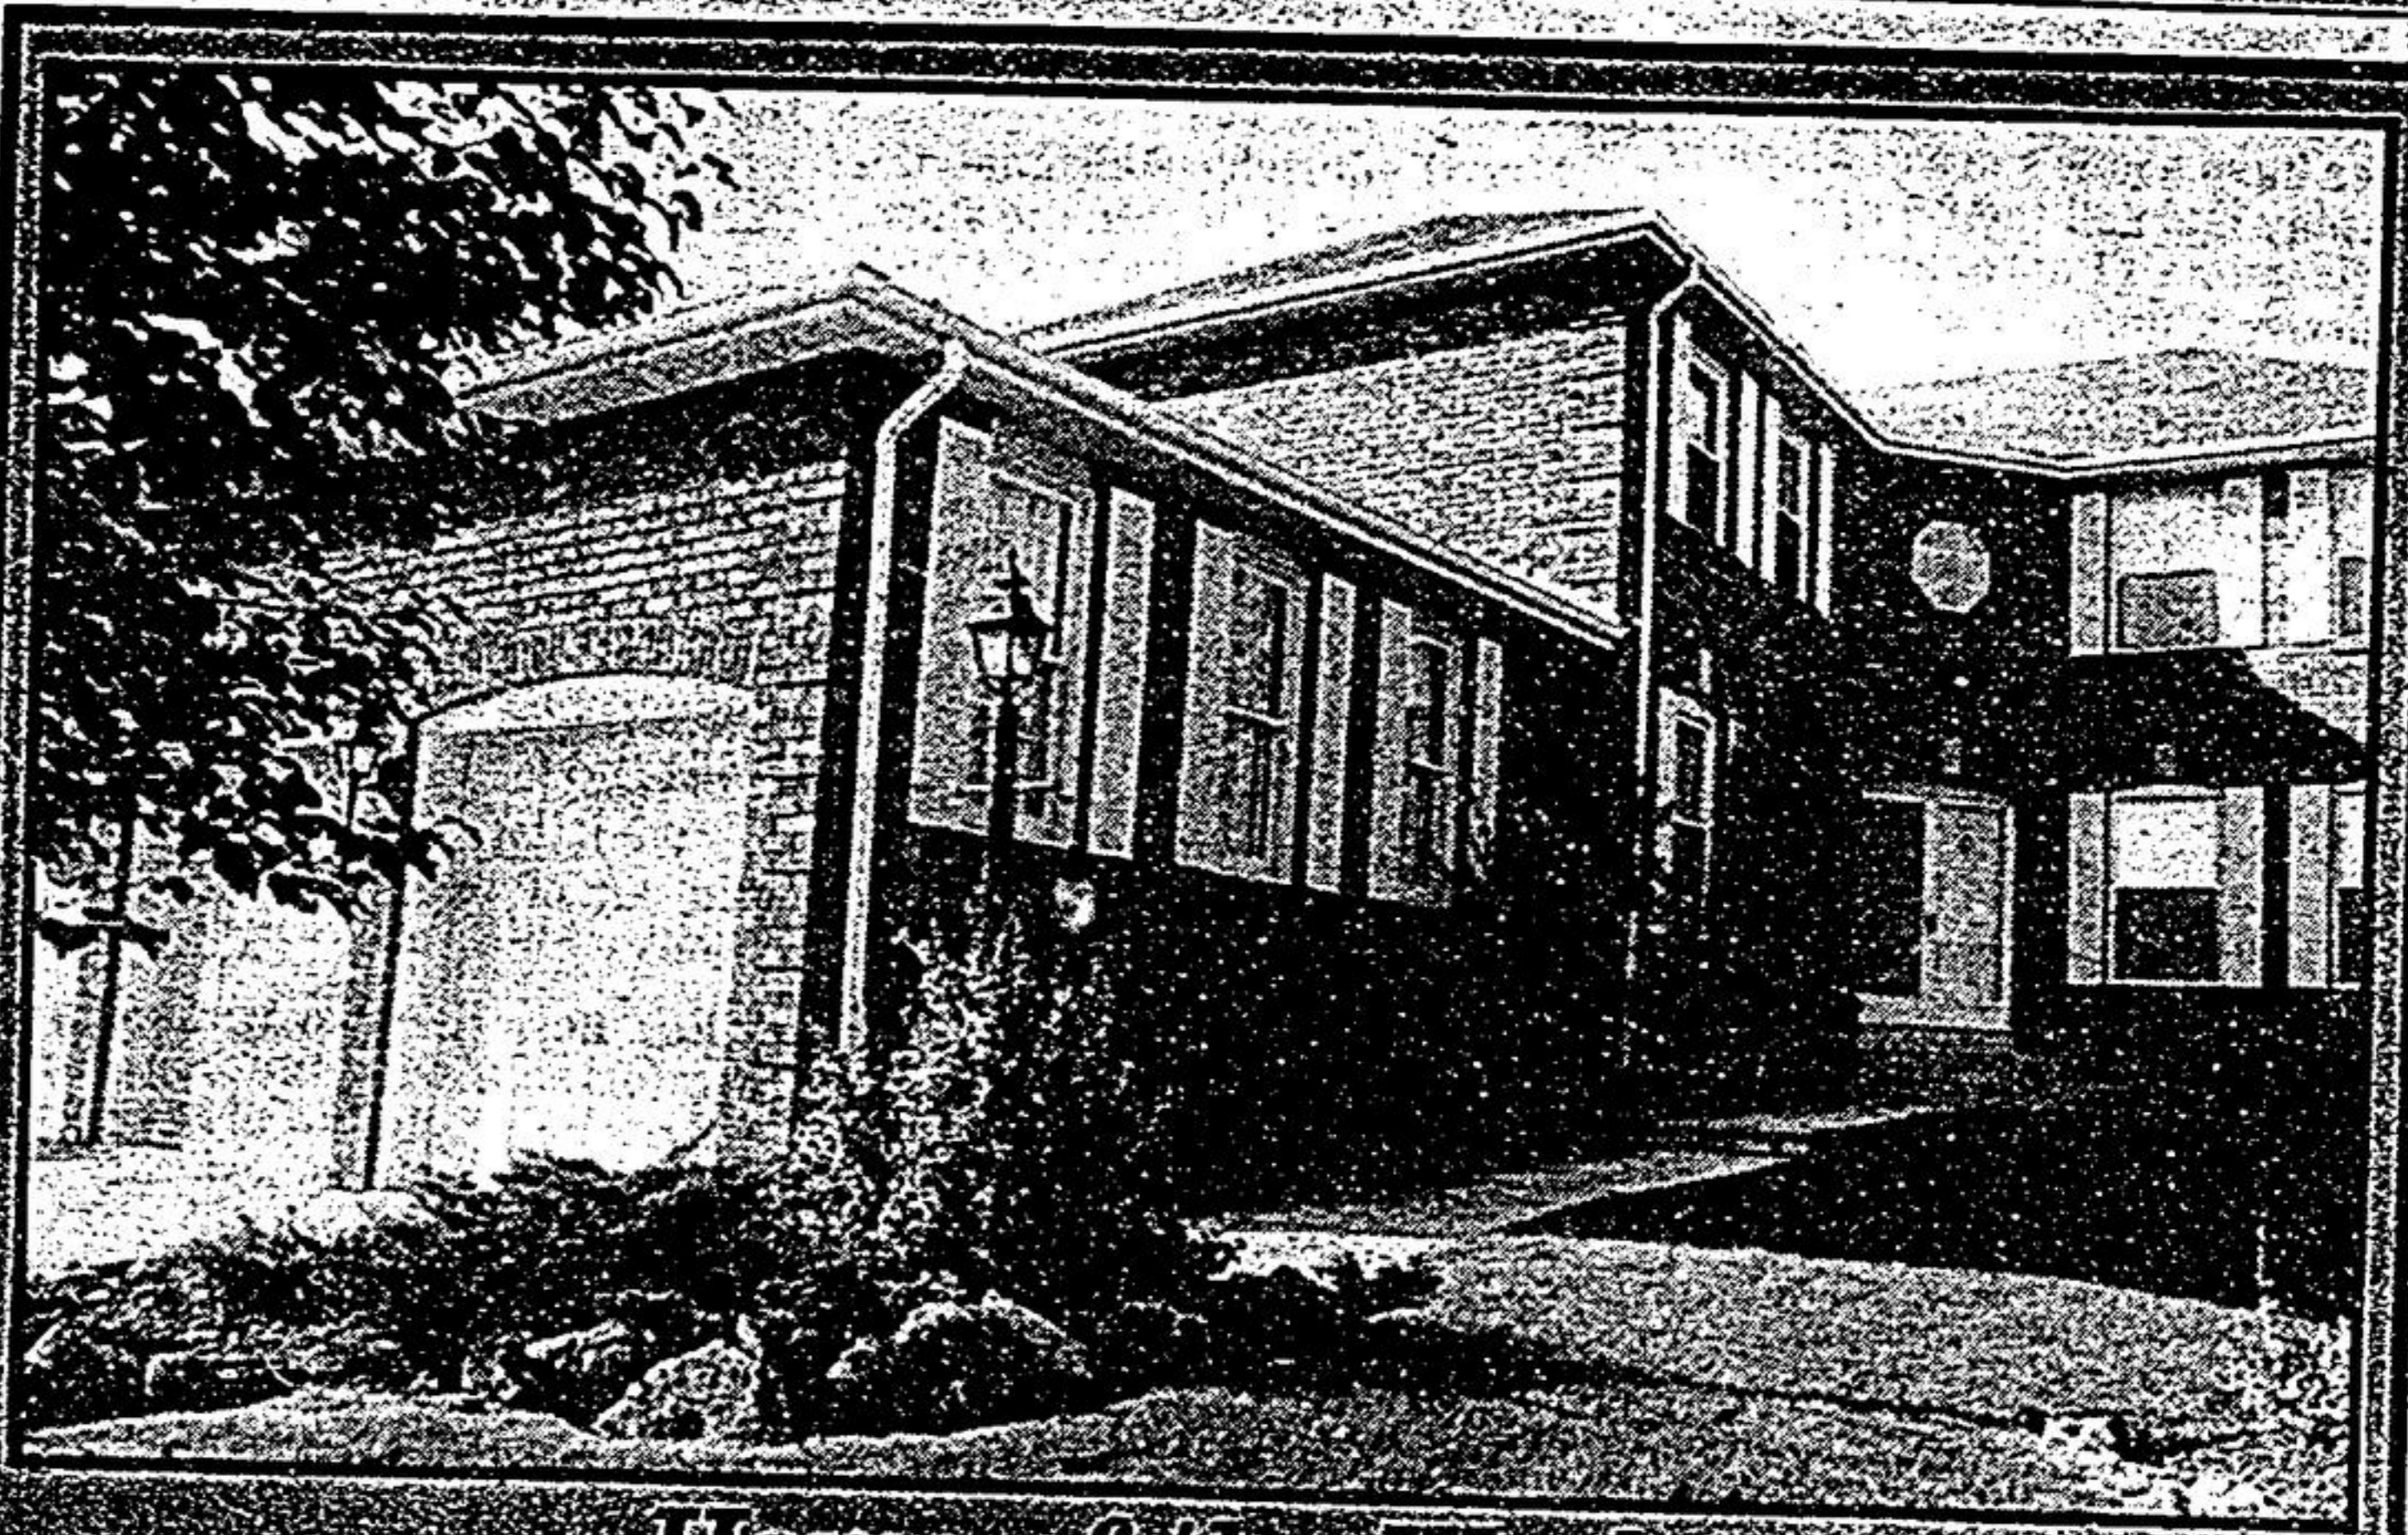

Harold Soupcoff, president of Mayfair Racquet Club, announced that due to the tremendous success of this year's event, Mayfair Parkway Racquet Club will sponsor the aerobathon again next year.
