ROYAL LePAGE WOULD LIKE YOU TO GET ACQUAINTED WITH THE WOMEN IN OUR BUSINESS

DONNA LINCOLN

"16" and looking for a part-time job was my introduction to Real Estate; and, which led me to the challenge of my career as a Real Estate Agent. During the past 11 years I have been actively selling real estate, was a director of education of real estate; involved in local social services within the community; and continue my education by working towards my C.R.A. (Canadian Residential Appraiser) designation. My experiences as a R.E. Agent have been rewarding not only in terms of job fulfillment (President's Gold Award Winner and a Top Agent in our Markham Office); but also, in terms of the new and lasting friendships made within such a warm and congenial town, Markham.

PAM DOYLE

"President's Gold Award Winner", and a Top Agent in the Markham Office is proof positive that my 12 years in Real Estate serving Markham and Unionville residents have been extremely rewarding. My goal for 1987 is to continue to provide professional and courteous service to all of my clients, and to uphold the Royal LePage standard of excellency.

CAROLE McMASTER

As a six year resident of Markham, five of those in Real Estate, I have an appreciation for the community and my business. Starting out as a Dental Assistant for 8 years I then became a Government Relations Officer for the Ministry of Housing. After 7 years with the Ministry, Real Estate seemed to be the natural progression. The satisfaction, achievement and knowledge gained over the past 5 years can not truly be measured. I stand ready to serve all of your Real Estate requirements.

NIKKI THOMPSON

After a successful career in banking I decided that I enjoyed working closely with people, and therefore chose a career in Real Estate Sales. Now that my 2 children are in their teens, I have the freedom for those midnight deals and weekend showings. Nothing can give me greater satisfaction than knowing I have found the perfect home for a family and in the process I have made new friends. I look forward to another successful year in 1987 with Royal LePage.

HEATHER INGRAM

Heather Ingram loves selling Real Estate. The excitement and satisfaction is still there after 10 years in the business. As a President's Gold Award winner I've been an active member of the Markham team since Royal LePage opened. Prior to that I was with A.E. LePage in Agincourt. Being an Associate Broker and currently working on the F.R.I. designation, I have a strong commitment to education and professionalism. It's easy to promote the sale of Markham/Unionville properties because, I'm "sold".

SUSAN HIGGINS

After being in the home building industry for 10 years, I decided to enter the world of Real Estate. This background lent greatly to my Real Estate career. My enthusiasm for the business, my passion for people, my empathy for vendors and purchasers, has all helped me in obtaining the President's Gold Award. There is no greater satisfaction than seeing happy clients. What other business gives you the opportunity to meet so many people — make so many friends and get paid for it too! I love it!

CAROL DANARD

Carol has been with Royal LePage — Markham since it opened and in Real Estate for a total of 8 years. Upon moving to Unionville in 1969 I became involved in community work and eventually with Heritage Markham. This background has helped me to understand and appreciate what people are looking for when they decide to locate in this area, also what the special appeal is of the older homes as well as the newer ones. With my three children grown I will devote my time to your Real Estate needs.

JUNE WILLIAMSON

Hello friends and neighbours. Here you are looking at my picture once again. It's so nice to have people say "Aren't you in Real Estate? I saw your picture in the paper." I'm a people person — always have been and after 16 years as a professional entertainer in Britain and Europe, when I came to live in Markham in 1975, the progression to Real Estate was inevitable. After all, it's a people profession. From day 1, I was well and truly hooked and after all these years I still love every minute of it. That's why I am a top agent in Markham; having achieved the President's Gold Award within a few months of joining this Company and this year I was nominated for the Toronto Real Estate Board (Salesperson of the Year)! Thank you "People". I can't do it without you!

LYNN DOYLE

After graduating from Seneca College and with my background of 3 years as a real estate secretary and 2 years working as a legal secretary for a prominent Unionville lawyer, I am now able to apply my knowledge and skills to my career in real estate. This is an exciting challenge and each day I look forward to a new experience.

VERNA HALLWORTH

Thank you for your business and referrals that have helped Verna Hallworth become a successful Real Estate Agent. I have been a Top Agent in my office since it opened and am a member of the President's Gold Club. I enjoy my work!!! It is my goal to give the Best Service Possible. My family and I have lived in the area for fourteen years — this is home and we love it here! We have been active in the community and have given our time freely. Presently, I am Vice-Chairman of the Markham Library Board and a member of the Milliken Mills Library Building Committee. In past years, I have spent many hours on projects such as the building of Unionville Library and Unionville High School. I look forward to hearing from you regarding all your real estate needs.

KAY CORLETT

Kay Corlett has been a Real Estate Professional since 1981 working for Royal Trust in Scarborough where I lived with my family for 14 years. With a daughter establishing her own business in The Bridle Trail, it seemed a very natural and appealing community in which to reside. The surroundings were beautiful and the natives friendly. It has been a very exciting three years for the Corlett family, living and working in a charming blend of both "old" and "new". You will find me now at Royal LePage eager to listen to your needs whether buying or selling. My interest is people! My goal is to provide expert guidance resulting in happy satisfied clients!
