

# DID YOU MISS US LAST WEDNESDAY?

Did you miss us last Wednesday?  
If you did, you missed...

...news from Steve Houston about innovative plans to recreate a Heritage neighborhood in Markham...the court's decision on a fatal accident September 1985...the public school's dilemma about finding funds for new schools... the first in a seven part series on escalating growth in Markham...peace activists inviting your concerns...four community columns with news from your neighborhood...the community calendar...a sports section with local standings and comments...and a regular 12 page business/real estate section featuring a Swedish company launching in Markham and a new column, Born to Shop... plus current rates and listings on our booming housing market.
