

Buy Unicef Christmas cards at library

Bonnie Heidema (right) displays a selection of Unicef Christmas cards along with Ann Bell, one of several volunteer salespersons. The holiday greetings will be available at Whitechurch-Stouffville Public Library Nov. 18-22 from 9 a.m. to 6 p.m.

—Chris Shanahan

Motorists steer clear of deer

Next to excessive speed, animal-vehicle collisions are the number two cause of accidents in northern Ontario and remain a significant problem in all areas of the province.

Police have recently cautioned motorists in the Uxbridge-Stouffville area to be on the lookout for deer and other animals crossing roads.

A rash of deer-related accidents have been reported in this area.

Sports Shorts

A newly created award to honor Ontario's Outstanding Disabled Athlete of the Year was announced last week by John Eakins, Ontario Minister of Tourism and Recreation.

The winner will be announced at the Ministry's annual Sports Awards Banquet in April. Ontario disabled athletes were successful in many international competitions this year.

Stouffville's Mark Ludbrook captured a bronze medal as part of the Canadian relay team at the World Games for the Disabled in Sweden. Ballantrae's Keith Brettell was the first alternate for the Canadian team in the World Youth Games for the Physically Disabled in England this past summer.

The Stouffville Recreation Department is offering a Professional Development Day/Program for children 6-12 years of age on Friday, Nov. 14. The program runs from 1 p.m. to 4 p.m. and features skating and crafts.

The cost is \$2 per child and admittance is on a first come first serve basis. Don't forget your skates!

Stouffville Community Ball elected new officials for next season: Cliff Dunkeld will stay as Chairman. Mike Davies (vice chairman), Diamie Gerrard (treasurer) and Carol Watson (secretary, diamond scheduling) round out the committee.

including one just southeast of Stouffville on Nov. 1.

In that case, a 23-year-old Bowmanville man was driving a 1979 Camaro northbound on York Region Rd. 30 when he suddenly had to swerve to avoid hitting a deer that jumped into the vehicle's

path. The car left the road and slammed into a hydro pole, causing more than \$5,000 property damage.

According to an OPP news release, there were approximately 3,100 car crashes involving animals last year in Ontario.

Variety of goods at nursery bazaar

CLAREMONT — Baked goods and crafts will be among a wide selection of items available at a Claremont bazaar on Saturday, Nov. 22.

Claremont Co-operative Nursery School holds its annual Christmas fund-raising sale from 9 a.m. until 12 noon at the community centre, Old Brock Road and Wellington Street.

An admission fee of \$1 for adults and 50 cents for children under 12, includes tea/coffee and muffins.

Also featured will be a White Elephant sale, pony rides and special door prize draws, scheduled for 11:30 a.m.

All proceeds from the bazaar go to support the north Pickering hamlet's co-op nursery school program.

Pride expressed in 'new look' Main Street

STOUFFVILLE — "I'm really impressed with the way things are coming together," Mayor Fran Sainsbury told The Tribune this week with respect to improvements within the downtown core.

Mayor Sainsbury praised the work of the Business Improvement Area board; Urban Design Consultant Juris Berzins and Town-B.I.A. liaison George Schlukbier.

She said fourteen business places had completed or were planning to complete new exterior facades.

Stouffville Hydro, she said, is anxious to remove five poles on the North side of Main Street and erect something fashionable in their place.

Before the B.I.A. Plan receives Council's 'stamp of approval', however, the project must be costed, Mayor Sainsbury explained.

Mrs. Sainsbury said she and Ken Sandiford, President of the Chamber of Commerce, would soon be embarking on an inspection tour of Main Street, from Hwy. 48 through to Tenth Line North, to see what else might be accomplished in this area.

JOINT SPONSORS

The draw for a new car, held at the Markham Home Show, was jointly sponsored by Conlin Motors Ltd. and Unionville Motors (1973) Ltd. As reported in the Nov. 8 edition of The Weekender, the winner was Alex Dunn of Willowdale.
