Stouffville in volleyball tourney final

The York-Durham Junior boys volleyball championship managed to elude the grasp of both Unionville and Stouffville high schools.

Jim Fletcher's Stouffville Spartans came the closest, reaching the finals before losing to Pickering. But even his predictions on the event went awry.

Fletcher figured on Rob Thomas's Unionville Wolves to be his prime competition. Trouble is, a very-hot Pickering team had other ideas.

And when the two schools met, it was Pickering who gained revenge for losses to Unionville in two separate tournaments.

"My honest feeling is we played fairly well," said Thomas about the 2-0 final match cent in Pickering's favour.

"But I don't think anybody was going to beat Pickering that day (Tuesday)," he continued. "They were awesome."

Unionville started well enough, shutting out both Anderson Coolegiate and Woodbridge High School. But after that Pickering loss, it was all downhill.

The Fletcher crew met them on the way, and took a 15-10, 15-10 victory. It was the same score — but in Pickering's favour — at the championship.

"Pickering just played excellent," Fletcher praised. "It was their day, and we lost to a super team." Peter Byer took his nod as the best Spartan on the court that day.

Unionville in York final

This view pretty much shows how the York South quarter finals between Unionville and Markham's Brother Andre high schools went on Tuesday. Here, Brother Andre's Cindy Keyes (right) does her best to hold off an offensive spurt by Unionville's Stacey Black. Black and company were on the offensive all game, recording an easy 61-18 win. They and the Unionville Midgets qualified for yesterday's York Region final.

Stouffville ball league off the financial hook

BY KELLY CONNELLY

The Whitchurch-Stouffville Minor Softball Association (WSMSA) will not receive a substantially-reduced town grant for 1987, as earlier feared.

The Town Recreation and Cultural Services Committee approved Tuesday a \$3,200 grant for minor softball next season. That last year's grant was \$3,500 did not concern WSMSA president Eldon Wagg.

"The grant...for 1987 will be equivalent to 1986," he assured, once a few "grey areas are ironed out."

"What it all boils down to is if we feel we can do with less, we'll get less." Eventually (1988 to be specific) Wagg would like the ball club to be self-sufficient and not have to rely on a town subsidy.

Last year there were about 700 kids playing ball in Whitchurch-Stouffville. Wagg hopes that number will steadily increase as new

residential developments pop up in the area.

Past president Marg Cosgrove, who weeks earlier predicted the demise of minor ball if the town grant were cut considerably, was a little less alarming when contacted after Tuesday's approved figure.

Her main concerns, she qualified, are that the ball association receive its "fair bit" to run properly and that the sport remain accessible to the children.

"We want to keep the registration fee down to a point where any kid can play ball. We've always made it accessible to the kids, but if we were charging \$50, it wouldn't be," she reasoned.

Last year's \$30 player fee might see a "moderate" increase of \$5 to \$7, noted Wagg. As well, the 10 new teams added to 1986's roster may be joined by a couple more.

The WSMSA's projected budget for '87 is approximately \$36,000, up 10 percent from last season.
