Making progress

St. Andrew's Presbyterian Church on Main St. Markham is making progress. The steel frame is up and work is proceeding in spite of winter weather. The church is undergoing a major expansion to the north.

Special concert at Unionville

The hectic pace of the Christmas season leaves little time to reflect on the true meaning of this event. To find "a quiet moment" within one's self to seriously contemplate the magnitude of Christ's birth and its impact on society seems impossible.

Unionville Alliance Church is attempting to create this "quiet moment" with a contemporary and unique Christmas production, *Messiah! Saviour! King!* billed as a Christmas celebration with music, dance and drama. The concert producer, Karen Pascal, is an accomplished television and film professional having produced major documentaries for World Vision and many others.

Karen's objective in writing this concert was to use contemporary song and dance in a setting of total worship and praise to create a fresh look at Christmas from

a Christian reality.

We are moving so quickly in our society we do not have time to fit Christ into Christmas. We want people to come away from this concert contemplating the meaning of Christmas. Why did Christ come? What does it mean to me personally?

The director, Al Tatem will highlight the concert celebration with his own Alliance Church choir plus utilize many young people from the church to perform some of the dance and drama numbers.

The concert will be held in the new Markham Theatre on Sunday, December 21st at 4:00 and 7:00 pm. Tickets are free but seats are limited. To obtain free seats you can call the Church office at 477-1104 or drop in during normal business hours.
