# Need solutions to drug problems

Dear Editor:  
The arrest of 35 young people in the Region of York on miscellaneous drug offenses is a shocker—for the naive of Whitechurch-Stouffville but not for those 'in the know' concerning such things.

I would suggest the rank and file of kids in and around town were aware the axe would fall sooner or later. Sure, 35 were arrested but I would guess that 3,500 are walking around free as birds; but equally suspect.

I don't know the answer. I wish I did. I do know that like booze prohibition, the present law isn't working.

It's up to the 'brains' of our land to come up with solutions. If the police arrested everyone with marijuana in his/her possession, (or worse), our courts (and jails) would be filled to overflowing.

Sincerely,  
Gordon Feeney,  
(address withheld upon request)

## Christmas mail deadline almost here

STOUFFVILLE — The deadline for the mailing of Christmas cards and first-class parcels for out-of-town delivery anywhere in Canada and the United States is Friday, Dec. 12, says Stouffville Postmaster Gary Fisher.

The deadline for in-town delivery of Christmas cards and first-class parcels is Wednesday, Dec. 17, and for parcel post, Monday, Dec. 15.

This year's four-cent stamp Christmas issue includes a special 29-cent stamp, representing a five-cent discount for each specially marked greeting card en-

velope addressed for delivery anywhere in Canada.

The 29-cent stamps, sold in booklets of ten, can be used until Jan. 31, 1987, on greeting card envelopes that carry a pre-coded matrix on which the customer fills in the postal code of the addressee. The discount is part of

a joint effort between Canada Post and the greeting card industry that has produced the special envelopes for holiday greeting cards. Such envelopes can be sorted by machine, resulting in savings that are being passed on to the customer, Mr. Fisher explained.

## A great little bake shop just fired up its ovens in Markham.

FROM NOW ON YOUR FAMILY EATS BETTER, FOR LESS.

Start with our bread. Good dough, like good wine, needs a period of aging for the yeast to go to work. Some hurry things along with chemicals. We don't. And the difference is there in every bite.

As for baking? Mass producers use pans and cover them with silicone. It's fast and gets the job done. But at Hewitts Home Baking each loaf is baked right on the hearth. That brings a wonderfully crunchy texture to the crust, and makes fresh bread taste the way you loved it as a kid.

At Hewitts Home Baking, each loaf is baked directly on the hearth to give the crust that crunchy texture you loved as a youngster. Just \$1.25 a loaf.

Our white, whole wheat, French and Italian bread is \$1.25, raisin, cheese or garlic loaves just 25 cents more.

Now the pastries. They're all made with a premium flour and the finest vegetable shortening - never lard. Our butter tarts are big and blessed with real butter and lots of raisins. The muffins, too, are plump and made with whole - not

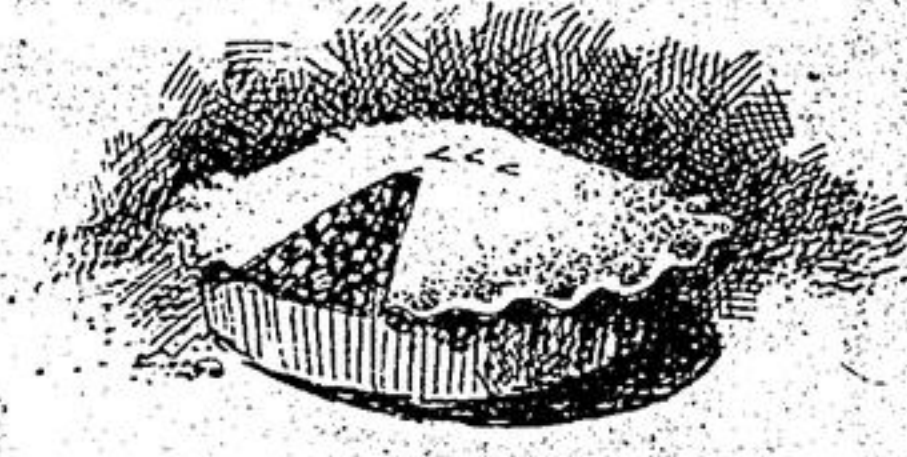

powdered - milk, and fresh - not frozen - eggs. Muffins and tarts are 45 cents.

Our butter tarts are big and blessed with real butter and plenty of raisins. They're 45 cents. So are the muffins we make with whole milk and fresh eggs.

In our deli cooler you'll find the deservedly famous Old Vienna line of meats and you'll find them priced no higher than ordinary supermarket cold cuts. With these meats and our bread, you've got a sandwich to remember.

Since we bake fresh each day, we're open from 6 a.m. Come and see us tomorrow. Take in the aromas of baking as it used to be. Take home goodness and good bargains.

We're very serious pie people, using the best flour and premium-quality vegetable shortening to get that light, flakey crust of real home baking.

We're Hewitts Home Baking, a great little bake shop with great old ideas.
