

Christmas joy

It was Christmas Concert Night for many Whitechurch-Stouffville schools, Thursday, including Orchard Park, Summitview, Ballantrae and Stouffville Christian. The Summitview quartet (above) includes (left to right) — Ashleigh Duggan, Rebecca Davis, Daniel Gothe and Brooke Maddock.

Music is a way of life for boys and girls at Summitview School. Pictured here are (left to right) — Jill McCarty, Nathan Wideman and Amanda Bell.

Members of the Stouffville Christian School choir and recorder group are — Marissa Stapley (left) and Becky Harvic.

Every bit a doll as the one she's holding is six-year-old Erin Cook, a pupil in Grade 1 at Summitview Public School.

This shining angel is Lindsey Patten of Grade 1 at Orchard Park School. Lindsey portrays all the happiness that goes with Christmas concerts.

Six-year-old Lisa Liberius of Grade 3 was one of the MC's at Orchard Park's Christmas concert. Lisa lives on Valley Road, Musselman's Lake.
