

OUR MISSION

AS WE LOOK FORWARD IN THIS NEW YEAR, WE ONCE AGAIN
STATE OUR MISSION AND OUR COMMITMENT TO THIS
COMMUNITY

- THE MISSION OF CENTURY 21 ARMOUR IS TO MAINTAIN A POSITION OF RECOGNIZED LEADERSHIP IN THE MARKETING OF REAL ESTATE IN THIS AREA.
- OUR EMPHASIS WILL BE ON PROVIDING THE HIGHEST LEVEL OF PROFESSIONAL SERVICES POSSIBLE TO BOTH BUYER AND SELLER.
- WE ARE COMMITTED TO THE CONTINUOUS DEVELOPMENT OF OUR PEOPLE, SERVICES AND ORGANIZATION.

1986 was our most successful year ever. We served twice as many clients as we did in 1985. More than doubling our sales volume for the year. During most months we listed more homes than many other local agencies combined.

Being concerned corporate citizens we have named the Easter Seals Society as the official Century 21 Armour charity. We are committed, in the next few months, to raise a large amount of money for the Easter Seals organization.

We will ask you to join us in providing assistance to help physically handicapped children.

1987 is the 10th anniversary year of Century 21 Armour, and all of us are proud to be affiliated with the greatest real estate organization in the world. Century 21, their back-up and our people provide the most outstanding real estate service in this area.

Our sincerest thanks to those we served in past years and we look forward to meeting those of you, who when needing real estate services will call Century 21 Armour. As stated, the mission of Century 21 Armour is to give you the best service anywhere. After all, you're #1 with us.
