

Model students

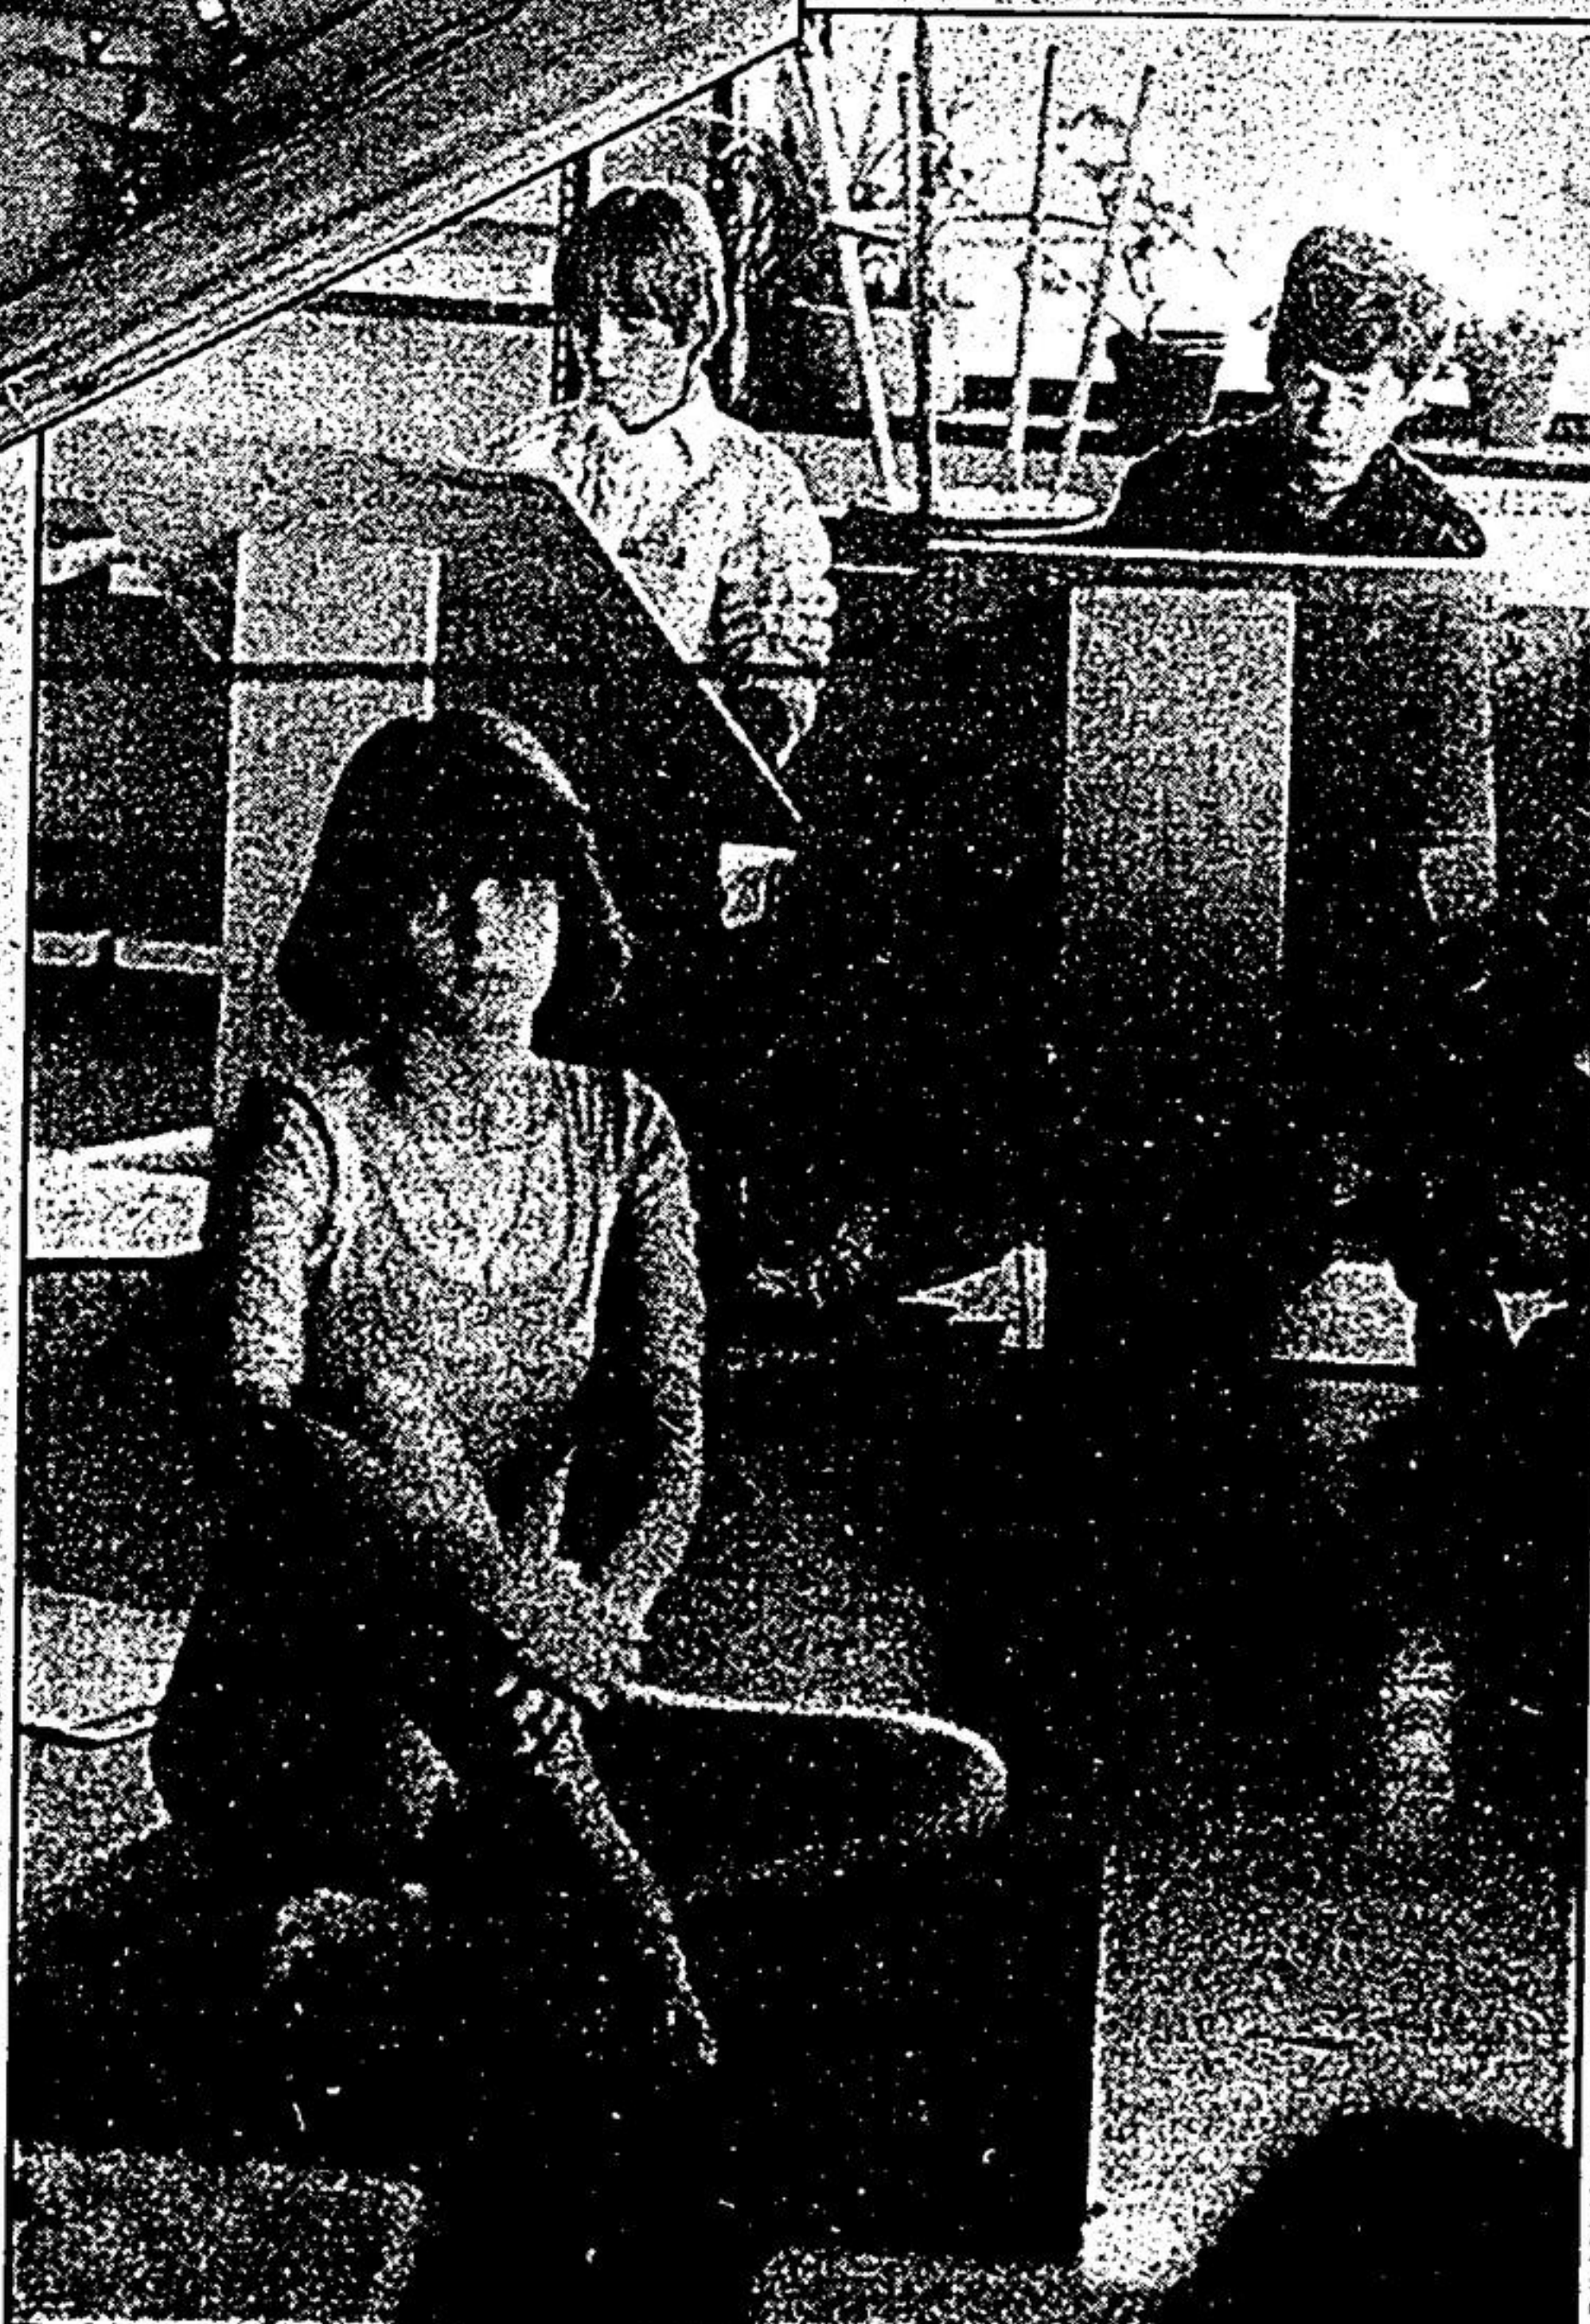

Among other studies at Unionville High School, a select group of talented hopefuls are enrolled in the Arts York Program to expand on their creative abilities. Here, a group of young ladies give

their best during auditions. From the left are, Katy Cornell, Michelle Hofstee, Melanie Priesnitz, Jennifer Drynan and Emma Tucker.

Arts York addresses a range of arts categories, including sketch art. Bella Perrault is a picture of concentration as she does her best to capture the imagery of a live studio model during classes at the program.

All angles are contemplated by the aspiring young artists as illustrated here by students Tyler Serr (left) and Dylan Graham. Here, they reproduce an image of model Kate Diakiv, sitting in the centre of the room for all students to sketch.
