Bruins playoffs

The Junior C Uxbridge Bruins begin playoff action this week against Crowley Division rival Little Britain Merchants.
 Game three of the best of seven series will be played in Uxbridge this Friday night.

Over the last month the Bruins have been playing some excellent hockey, coach Randy Hall said. They have won 11 of their last 12 games.

However, their only loss was to Little Britain.
 "It should be a great series," Hall said.

Both teams are solid defensively and he expects a low-scoring series.
 "Our overall play has been very consistent lately," Hall said. "Everyone has been doing their job, and the whole team is working hard."

Goalie Joe Risk of Stouffville gets a special mention from Hall as having played particularly well over the last month.
 If the Bruins beat Little Britain, their next opponent in the playoffs will be the winner of the Port Perry-Lindsay series.

Hall said he doesn't have a preference as to which of those teams he would rather play.

Stouffville Beckers Midget Clipper player tries to pull the Lindsay goalie during playoff action last Friday at the Recreation Centre. The game was the first in the best of five series between the two teams. Stouffville won this game 3-2.
