Real Estate Advertising Representative

Dear Joan:

As you know I advertised my Open House at 116 Percy Lane in the March 7th Weekender Showcase, and I wanted to let you know how well the advertisement worked.

We had 58 prospective buyers, most of them without agents, so they must have read the paper!

As you know Re/Max agents pay for their own advertising so it's really nice when you know you got a good return on the investment!

Thank you for the excellent service and the efforts you personally make to ensure that our advertising gets in on schedule.

Yours sincerely,

Ian A.C. Batt

P.S. We have a good offer on the property.
