Is the search for the right investor wearing you thin?

Finding the right capital to start up a new business or strengthen an existing company is no easy task. That's why the Ontario Chamber of Commerce has set up COIN, Computerized Ontario Investment Network, in co-operation with the Ministry of Industry, Trade and Technology.

COIN This confidential, computerized database helps entrepreneurs find private capital. As well, COIN matches investors seeking business ventures with the right entrepreneurs.

To discover how COIN does all the legwork for you, attend the COIN information session.
