

EMPLOYEE RELATIONS SUPERVISOR

Your strengths are 2-3 years of shop floor Employee Relations experience, solid communication abilities and a strong degree of interest in "State of the Art" H.R. Development Systems, in a highly progressive environment.

Your H.R. University/College degree and business experience are oriented to a high-tech, hands-on, Zero Defect philosophy, where people make the difference.

Our new Whitby plant which will supply the automotive industry will be a small but highly advanced facility, bringing together ultra modern manufacturing concepts and far reaching Employee Relations strategies. Together, we will attempt to redefine our North American industry standards.
