

Caddy's drive to SIHL championship

The Williamson Motors Cadillacs won the Stouffville Intermediate Hockey League (SIHL) championship Saturday night with an 8-6 win over the Stouffville Stockyard Flyers. Team members are Gary Fockler,

Mark Fockler, Jim Grove, Tim MacEwen (goalie), Naz Nicastro, Ron Assinck, Olaf Rabe, Doug Todd, Phil Redshaw, Danny Maillet, Doug Feasby and Scott Frisby.

Fastballers will hold tryouts

(From page B-1)
pitch," Betz explained. "A couple players on the team, Gary and Randy Grant, asked if I'd be interested in sponsoring fastball and I thought it was a great idea."
The team, to be known as Betz Pools Stouffville, will play at the Intermediate A or AA level, Emery said, in the Oshawa City and District League.
Competitors would include natural rivals such as Markham Jrs., Clarendon, Oshawa, Port Perry and Greenbank, he added.
"It's a very good, competitive league," Betz said. "The games should be very entertaining for the fans."
The team has been practicing

for the last month in a school gym in Whitby, but are hoping to get an exhibition game this weekend against the Vandorf Juniors. Exact time and location of this game depends on the weather and diamond conditions, Emery said.
"From what I've seen so far we look very competitive, but it's hard to tell what you have in a gym, you have to get outside to know for sure," he added.
Emery is hoping the community will rally behind the team, as Stouffville has a long and glorious fastball tradition.
"We're trying to make the team as local as we can," he said. "We're hoping we can bring back

some of the great fastball tradition in the town."
There are still some spots on the team and tryouts will be held for any interested players in the area some time over the next two weeks.
For more information on the tryouts, you can phone Bryan Emery at 640-3109.
