

# Dickson's Hill principal 'a natural'

## Academic environment will be little changed

By JIM THOMAS  
For Barbara Wyatt, the position and location will be changed but the atmosphere will remain much the same.

Mrs. Wyatt, currently the vice-principal at Beverley Acres Public School, Richmond Hill, has

been appointed principal at Dickson's Hill. Both are two-track schools offering French Immersion and English classes.

A graduate of the University of Bristol, (England), Barbara comes highly qualified. She's had teaching experience at both the

elementary and secondary levels and holds a degree in French as well as her Master's in Curriculum from the Ontario Institute for Studies in Education. She's been associated with the York Region Board for the past 13 years.

Dr. and Mrs. Wyatt reside in King City. They have a son enrolled in electrical engineering, (final year), at Ryerson Polytechnical Institute and a daughter in Grade 13 at Richmond Hill. Jennifer is an accomplished equestrienne.

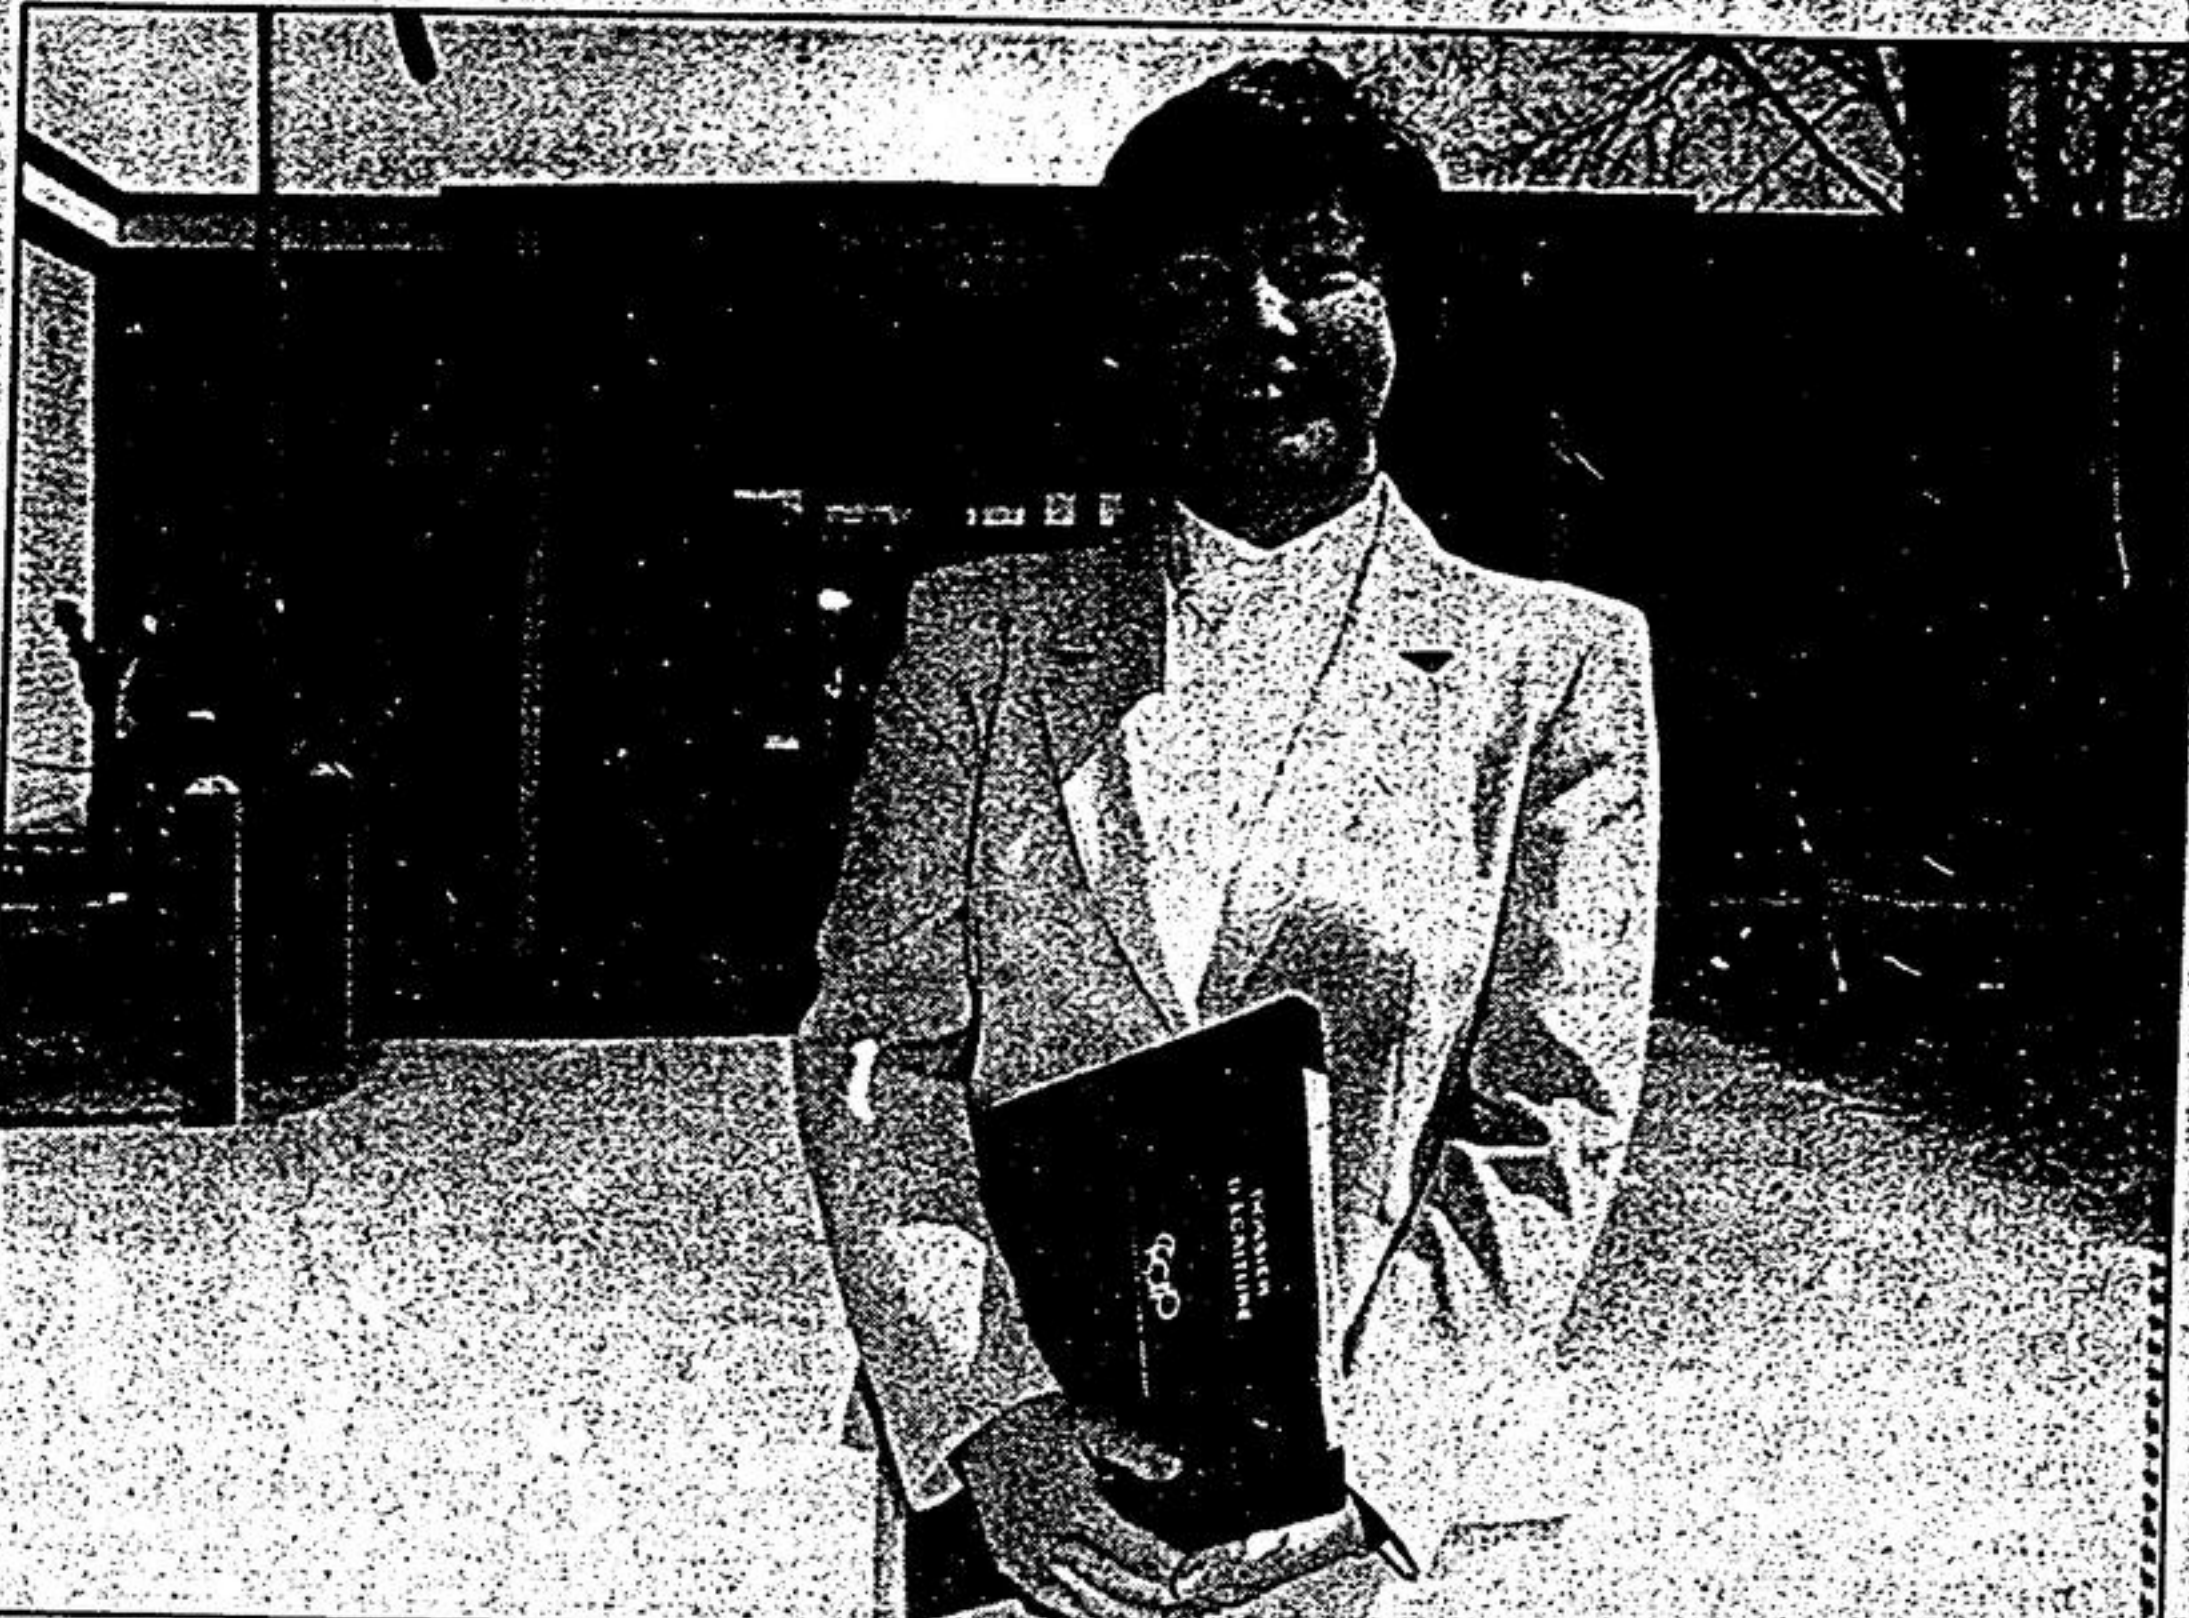

Dr. Wyatt is a psychology education consultant with the North York Board of Education and a lecturer on the staff of York University.

Dickson's Hill will be Barbara's first principalship. She's looking forward to the challenge.

Before taking over the vice-principal's post at Beverley Acres, Barbara taught at Reesor Park in Markham; Bayview Fairways, Thornhill; Langstaff and Glen Shields, Concord.

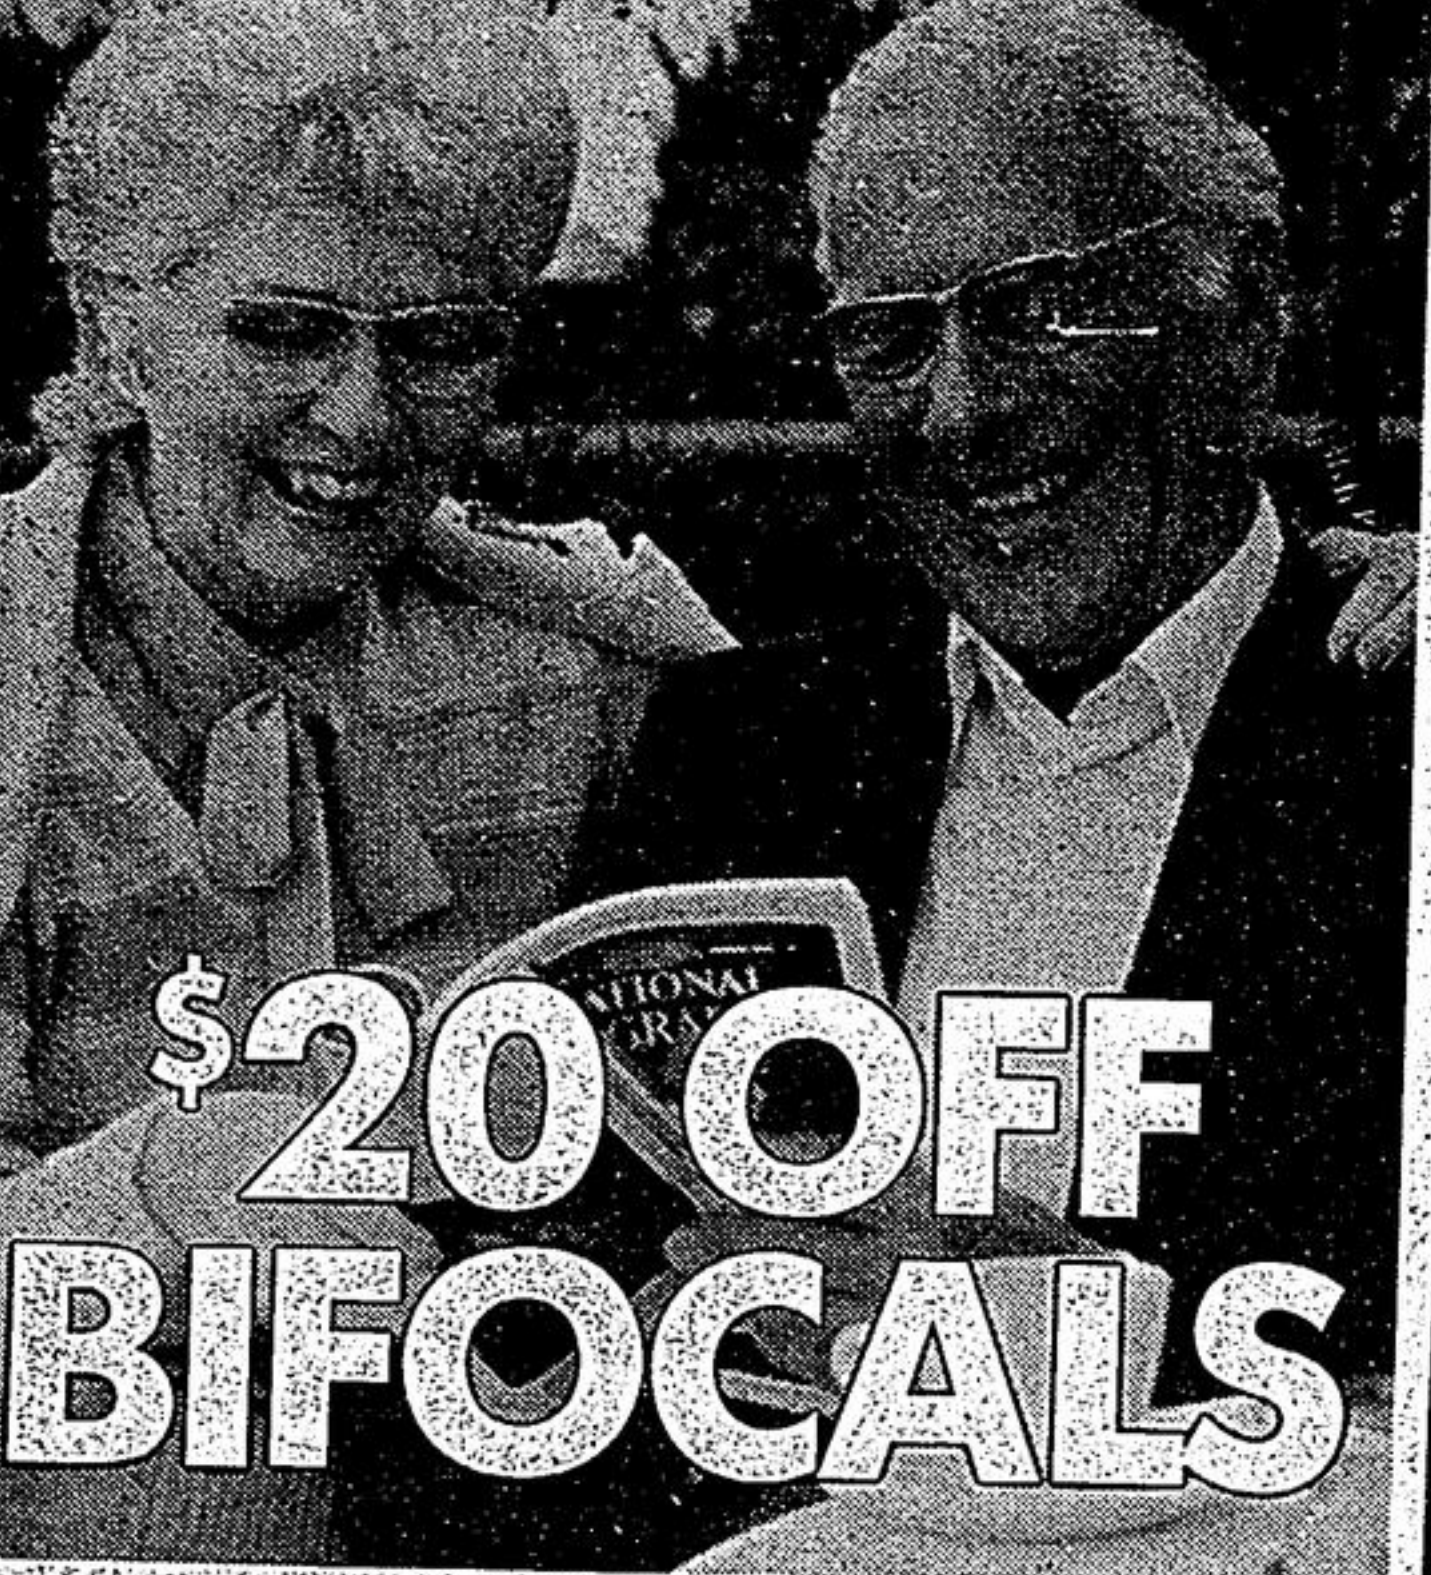

Beverley Acres has a current enrolment of 580 students. September's attendance at Dickson's Hill is anticipated at 425.

Mrs. Wyatt is a strong supporter of parent-teacher organizations and expresses the hope this association will continue at her new placement.

Barbara Wyatt, vice-principal of Beverley Acres Public School, Richmond Hill, will be the new principal at Dickson's Hill when the fall term opens this September. Mrs. Wyatt is a natural for the position since both Beverley Acres and Dickson's Hill provide instruction in French and English. —Jim Thomas
