He comforts kids

By LEILA WHITCOMBE
 STOUFFVILLE — On Wed., May 13 at 2:45 p.m., Stouffville, Bethesda and Altona Women's Institute members will have an opportunity to see and hear Murray Dryden at Parkview Village auditorium.

In 1970, this unique gentleman, with a \$3,000 contribution of his own money, began distributing bedkits to needy children around the world.

The project was meant to ensure that these kiddies would not sleep on the cold, unprotected ground.

A donation of \$28 provides a child with one mattress, two pairs of cotton sheets, one pillowcase, two pairs of pyjamas, one rubber sheet, one blanket and one mosquito net.

After the basic bedding, surplus money is used to purchase washers and soap.

To keep costs down, the bedkits are manufactured in the countries where they're distributed. This practice also provides employment for needy people.

The program is called 'Sleeping Children Around The World'. Mr. Dryden and a dedicated team of volunteers, pay all their own expenses as they travel to distant countries distributing their kits. Photos are taken of the recipients so donors can be certain their money has been used in a proper way.

As late as last December, Mr. Dryden travelled to the high Himalayas and there, working around-the-clock, ensured 2,000

children they'd be sleeping warmly. In his words, "enjoying the love, God is showering on his little ones."

Murray Dryden is well-known in Whitechurch-Stouffville. He operates a Christmas tree farm in the area of McCowan and Vandorf Roads. Famous sons, Ken, (Montreal Canadiens), and Dave, (Buffalo Sabres), are remembered by all local hockey fans. They and sister Judy are enthusiastic supporters of their father's work.

The Institute ladies and their friends will meet for a dessert luncheon at 1:30 p.m. Mr. Dryden will arrive at 2:45.

All residents of the community are invited. Those present will be afforded an opportunity of contributing a bedkit or any amount of money they wish to donate.

ATTENTION! NON-PROFIT HOUSING ORGANIZATIONS

Create non-profit housing in your community. Applications are due May 15.

Meeting Ontario's housing needs.

As first advertised last January, applications are being accepted for the development of 6,700 new non-profit housing units across Ontario. Construction of these units will begin in 1988.

Interested groups should apply now as the May 15th deadline for preliminary applications is fast approaching.

The Government of Canada through Canada Mortgage and Housing Corporation, and the Province of Ontario through the Ministry of Housing, will be cost-sharing assistance directed to needy households. Market units will be fully funded by the Province of Ontario.

The program is open to all municipal non-profit, private non-profit and non-profit co-operative organizations.

Local community organizations wishing to sponsor non-profit housing projects can apply for government grants to cover the

costs of establishing non-profit housing corporations.

Affordable housing for those in need.

This program helps non-profit agencies to create affordable housing for households in need of housing assistance. These include families, senior citizens or physically, developmentally and psychiatrically handicapped persons able to live independently.

In addition, some of the units will be specifically targeted to low-income singles.

Call now for complete details.

Organizations wishing to sponsor such housing projects must submit their preliminary applications by May 15, 1987.

For more information and application packages, contact your nearest Regional Office of the Ministry of Housing as soon as possible.
