

He's Keepin' time

Unionville's Mike Vukobrat (centre) will up to date on things in future with his new Citizen Quartz watch. Mr. Vukobrat won it as an early bird prize in the United Way of York Region's Love Home Lottery draw. He accepted the watch from Regional Councillor Frank Scarpitti (left) and York United Way Chairman Carmen Di Paola (right). Other early bird prizes include tickets to Rome and Montreal, a \$2,000 brass bed, a diamond ring, mag wheels and living room furniture. The draw for the \$225,000 Love Home takes place June 27. For tickets call 479-7111.

Windows and Doors

Pella and Hunt windows and doors chosen for installation in the 1987 National Home Show R-2000 "Dream Home" in Toronto.

Windows and doors engineered for the R2000 home

The R-2000 concept employs one basic principle: better insulation for lower energy costs. Pella windows and doors have always employed this principle. And now, Pella introduces the Type E system. Type E Slimshade® blinds and Type E glazing for superior insulation. Add high quality weatherstripping and solid wood construction with natural insulating properties, and you have windows and doors designed to meet tomorrow's energy standards today.

Whether you're renovating, improving, building an R-2000 home, or any home, ask for the windows your builder chooses when specifications demand the best. Specify Pella.

The unique Pella "Type E" double glazing system with Slimshade® blinds.

- 13/16" (21 mm) airspace between the glass panels
- Pella Slimshade® blinds installed between the glass
- Solid Wood Construction of high grade Western Pine
- Aluminum exterior cladding with durable baked-on finish.

See the complete line of Pella and Hunt windows, doors, sunrooms and skylights on display at the Robert Hunt Corporation Showroom.
