## PEGGY SUE Got Married

**PEGGY SUE GOT MARRIED**  
Kathleen Turner and Nicolas Cage triumph in Francis Ford Coppola's smash hit about a woman who really does get to "do it all over again"!

**EDGE OF DARKNESS**  
Murder, global politics and the threat of nuclear contamination are masterfully combined in this taut award-winning BBC mystery thriller about a detective's determined search for the killers of his daughter.

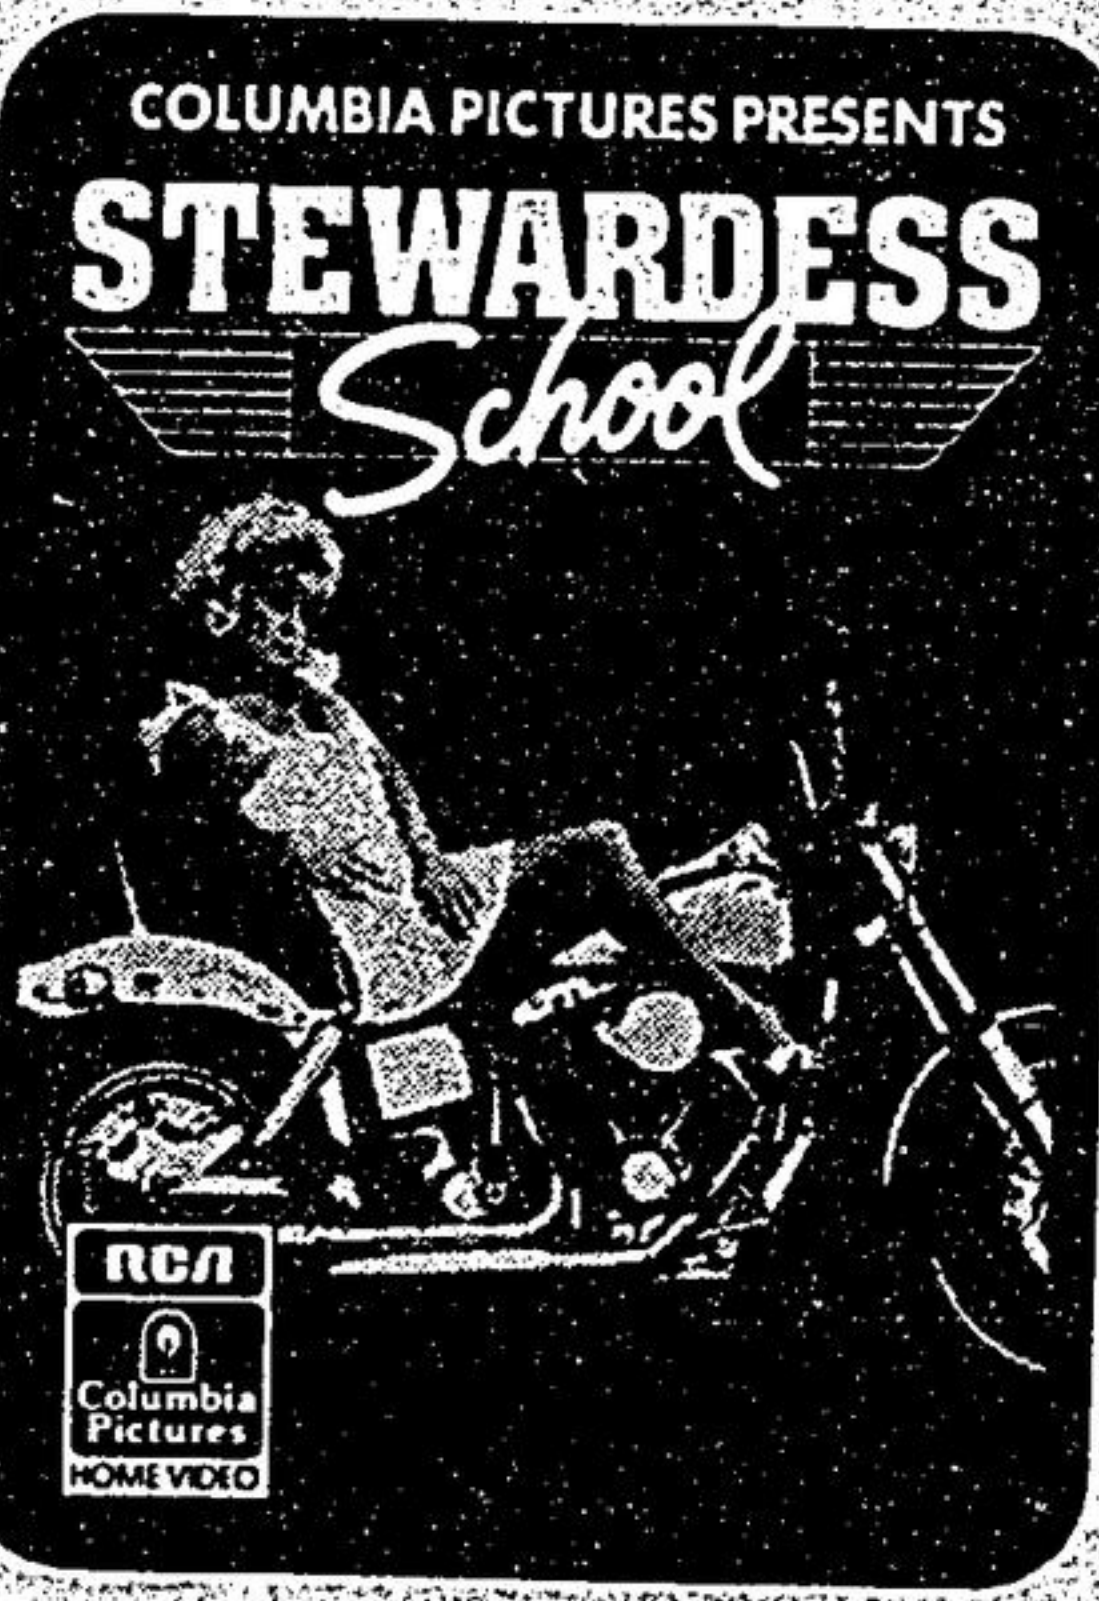

## EDGE OF DARKNESS

## WHERE THE RIVER RUNS BLACK

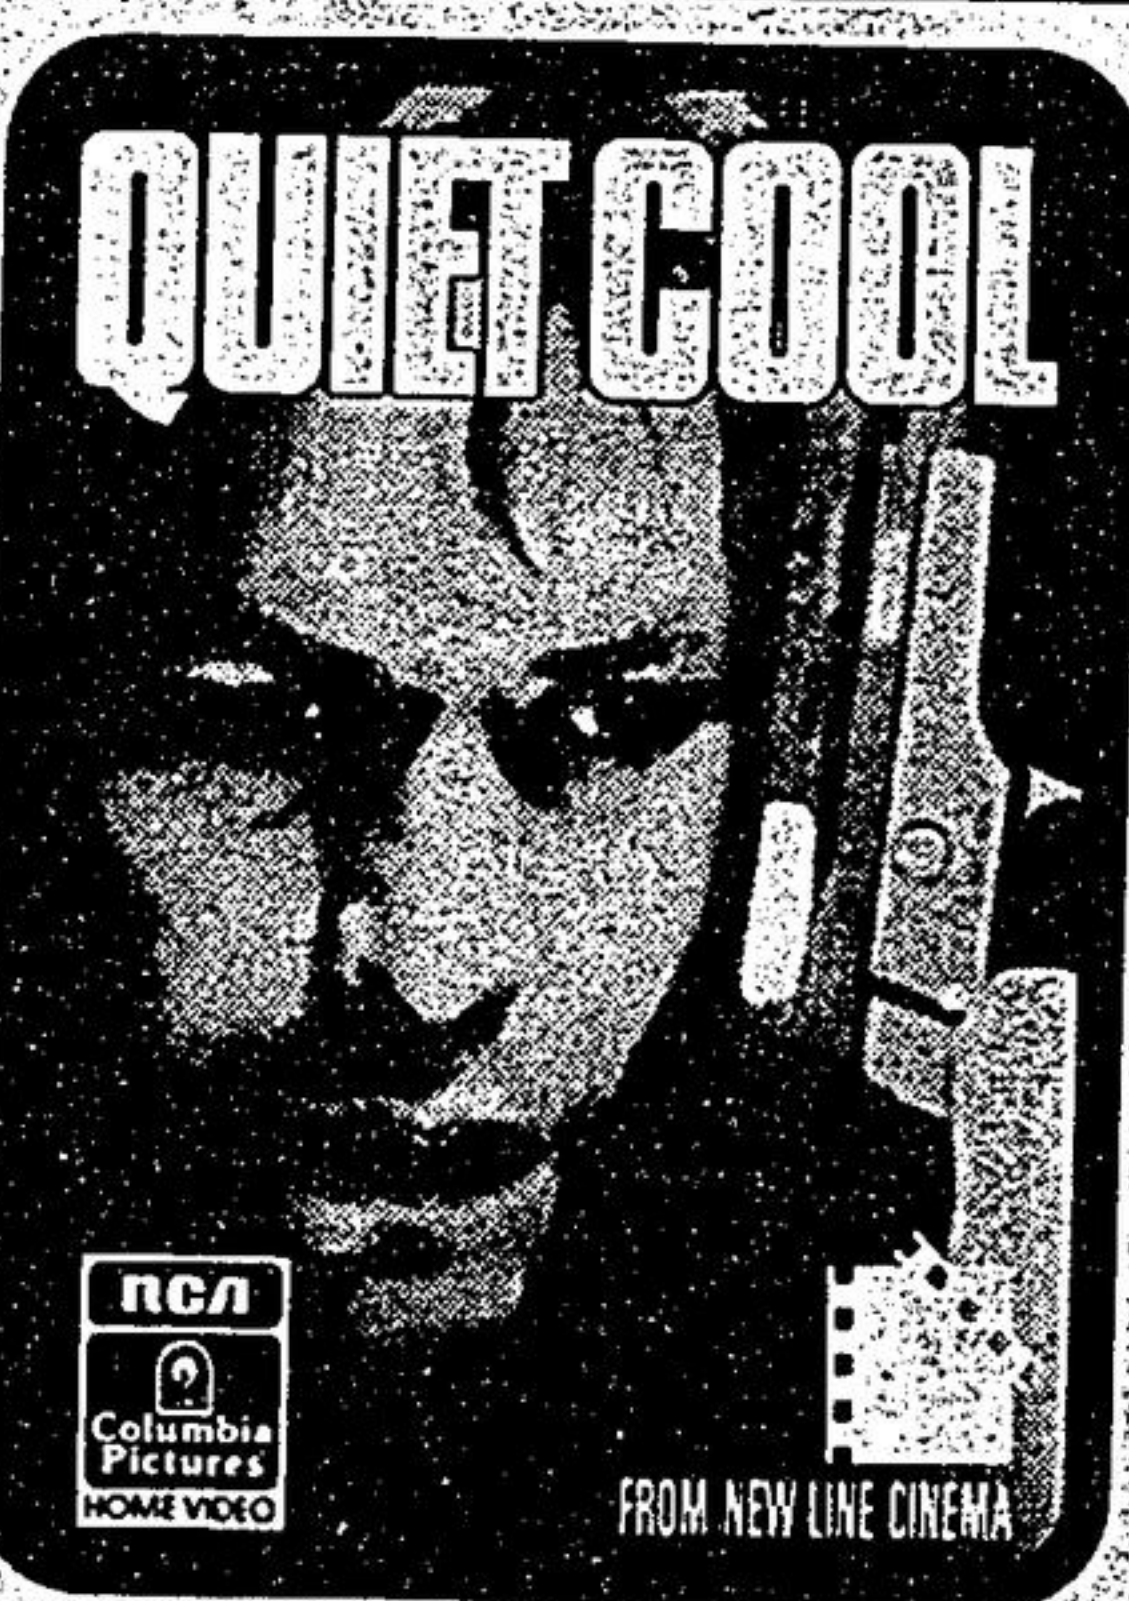

An award-winning novel and stunning Brazilian backdrops inspired this poignant family drama about a young boy raised by river dolphins in the jungles of the Amazon.

## STEWARDESS School

Get set for loads of good plane fun when nine hot-trot students try to get serious about their careers and enroll in STEWARDESS SCHOOL. On their first flight the novice crew must cope with a lunatic hijacker, a drug-crazed businessman, and a bomb that's about to explode. Will they ever get the plane to safety? Buckle up and find out with STEWARDESS SCHOOL — it's just the ticket for high-flying fun!

## QUIET COOL

Hard-core New York City cop James Remar ("48 HRS.", "Band of the Hand") is out of the city and into a nightmarish death trap in the action-packed feature QUIET COOL. From an electrifying motorcycle chase through the subways of New York to a shattering climax deep in the heart of the Pacific Northwest, QUIET COOL roars hellbent for action... and revenge!

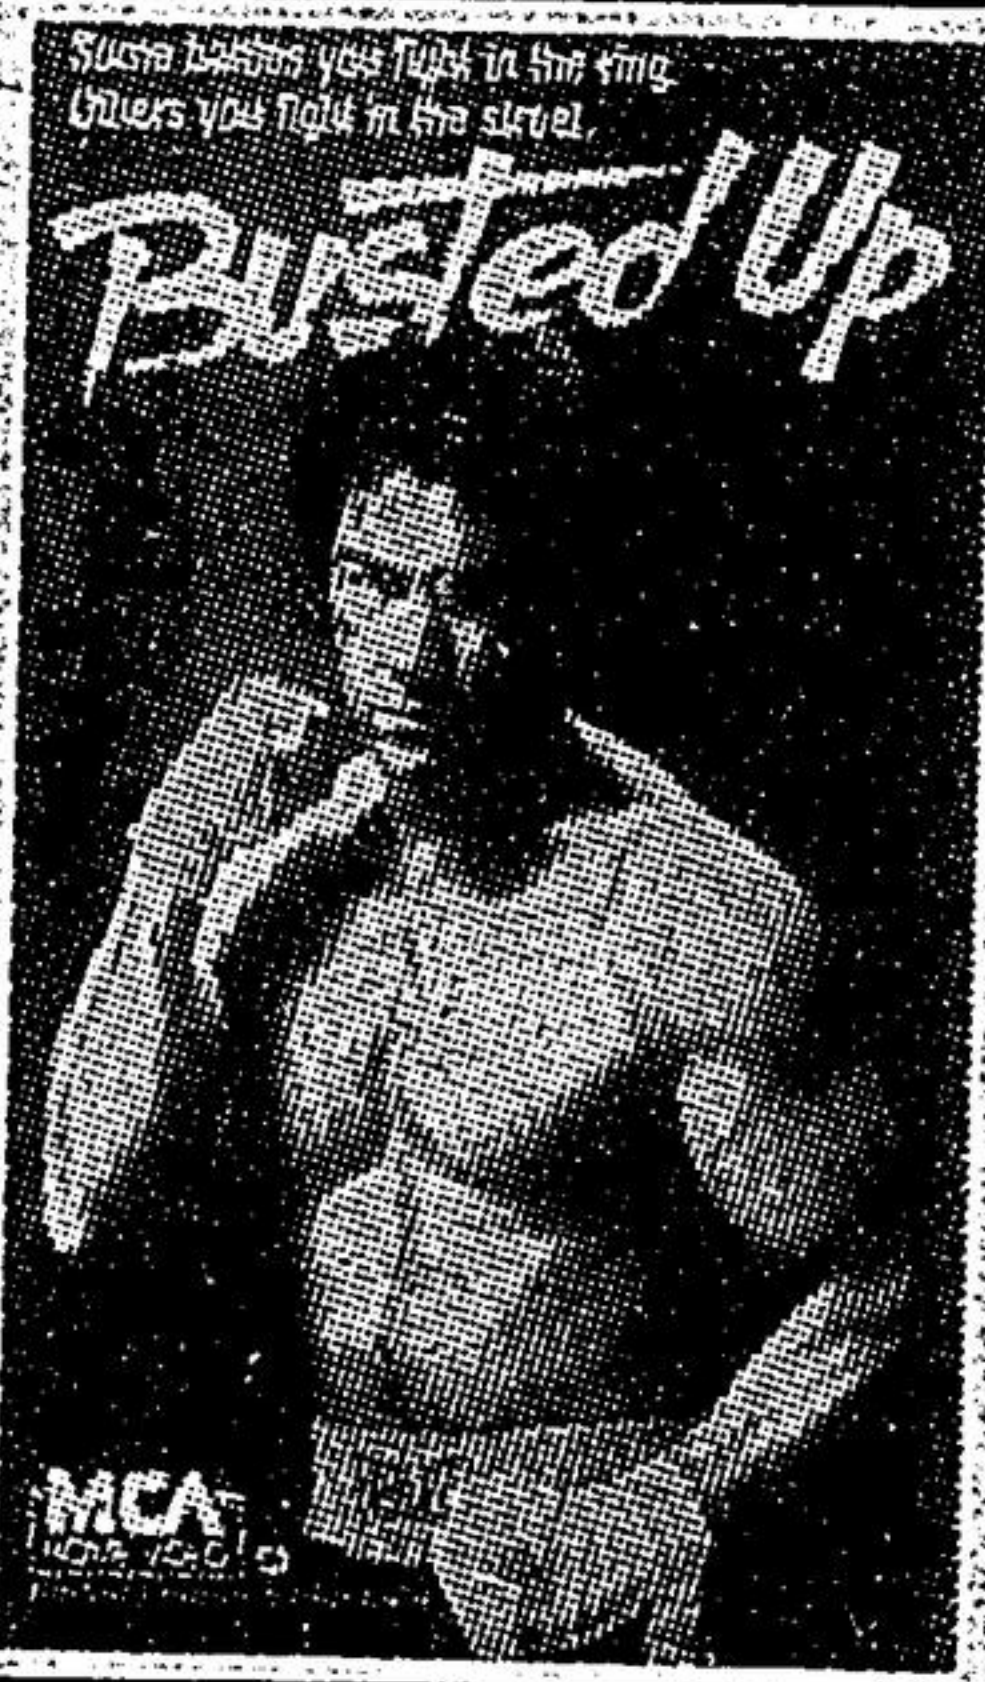

## The Unforgettable Story of A Mother and Daughter

## night Mother

**RELEASE JUNE 11**  
Sissy Spacek and Anne Bancroft star in this taut, emotional study about a mother's attempt to stop her distraught daughter from committing suicide. Adapted from the Pulitzer Prize-winning Broadway play, the give and take between the two makes for an unforgettable family drama that brings to the surface all the love, resentment and understanding that exists between every parent and child.

## Busted Up

**MAY 7TH**  
Irene Cara and Paul Giamatti star in this action-packed story of a professional street fighter battling to save his neighbourhood, his family and himself from the tightening grip of hoodlums and corrupt developers who threaten to overpower his world.
