

## Milliken couple win \$22,000 in lottery

A Lottario win for Milliken's Stephen and Ceciley White was one second place finish they won't make any bones about.

Their numbers came up in the April 11 draw, netting the couple more than \$22,000.

"We checked our numbers as usual on Sunday," said Mr. White recently. "My wife looked at the numbers and couldn't believe we'd won."

They've been playing the weekly lottery for several years with the same numbers. Mr. White said they'd matched numbers in the past, but won "nothing this large."

The first order of business for the two is to shop for a new truck. "We'll be looking at something sporty," said Mr. White.
