

Town blitz for Sally Ann

May 1 to 8 has been declared Red Shield Week in Whitchurch-Stouffville. The proclamation was signed Friday by Mayor Fran Sainsbury in the company of Corps officer Rick Embree of Markham. The Salvation Army will conduct a one-day blitz in Stouffville, Monday, May 4.

Neighborly Notes

Keep it flying

Have you noticed the Union Jack waving in the wind near the intersection of Hwy. 48 and the Bloomington Road? I have and so undoubtedly have thousands. "We're very proud of it," says Judith MacInnis, my husband (John) loves English history. The beautiful banner, measuring 9 ft. by 12 ft. is attached to a 48 foot solid steel pole that's encased in concrete. The flag's height plus the lay of the land makes it easily visible to people passing by. In addition to pride, it serves another purpose—guiding visitors to where they live. "Just look for the Union Jack," John and Judith tell their guests.

Leaving town

Larry Bacon's tired of commuting. Larry, wife Colleen and son Scott are leaving town the end of October, to take up residence in Leaside. "The drive was just too long," Colleen said. "It was a difficult decision. We agonized over it almost a year." They'll be missed, particularly their involvement in the Terry Fox Run. "We'll take part in one more," Colleen promises. "I wish there were a thousand others with their kind of enthusiasm."

Help wanted

Ann Rae of Ann's Fabrics 27 Main Street East, Stouffville is looking for a helper in her store this fall, but not just any helper. Her preference is a handicapped person. "Anyone interested is asked to call Ann at 640-5635."

For the record

Betty Hoover and members of the Markham Fair Historical Committee are planning a pictorial display of past Fair Queens for the big show this fall. But it's not easy. Many are married and some have moved away. If you happen to be a Queen of Markham Fair and read this item, please give Betty a call at 294-0430. Your assistance will be appreciated. Here's the list: Karen Hughes (1976), Dianne Reid (1977), Cathy Case (1978), Marilyn Hall (1979), Susan Field (1980), Carrie Purcell (1981), Debbie Fish (1982), Dalene Murray (1983), Cathy O'Connor (1984), Marie Beckett (1985) and Lori Thompson (1986).

Citizen of '87

It'll soon be that time of year again, when Whitchurch-Stouffville honors its Citizen of 1987. Names, accompanied by supporting reasons should be mailed to The Tribune, Box 40, Stouffville, or dropped into The Tribune Office at 54-56 Main Street West. The ceremony will be held in conjunction with the Miss Whitchurch-Stouffville Pageant, June 25 at the High School.

Staff changes

As many as eight staff changes are contemplated at Summitview Public School in Stouffville this fall. Taking a leave of absence for a year is Norma Card O'Brien. Avenue She'll be missed but she'll be back.

Bike convoy

A convoy of motorcycles between 30 and 40 in number will arrive in Stouffville on Sunday, May 3. They are members of the Gold-Wing Road-Riders Chapter 1 of Markham. A ride in breakfast will be held at Markham's Golden Griddle, McCowan Road and Hwy. 7, around 8 a.m. The group will then depart (via Unionville) for Stouffville at nine, arriving in town between ten and 10:30. Stop-off points will be The Steerburger, across from the A&P Plaza and Country Club Donuts near the Fire Hall. Members promote highway courtesy and safety as well as raise money for worthwhile programs such as the Multiple Sclerosis Society. Other Gold-Wing riders are invited to join in the cavalcade of Hondas. It should be quite a sight.

Hello to Jim

Bud and Beryl Sanderson, Orchard Park Blvd., Stouffville, recently enjoyed a holiday in Portugal. While there, Bud put in a call to Jim Holt, former Sports Editor on the staff of The Tribune. Jim's having the time of his life, Bud reports. He's planning a quick trip home next year to attend daughter Penny's graduation from university.

Remember?

"I liked the quote by Hall of Famer Ike Hildebrand at the Markham-Stouffville Oldtimers Reunion, Wednesday, attributed to ex-Male Leaf George Armstrong. "The older I get, the better I was."

Classy coffee

The coffee clubs that meet regularly at The Regal and The Greens in Stouffville are being outclassed by the boys who gather every morning at T&T Donuts on Main Street, Markham. This group has its own individual monogrammed coffee cups not unlike the personalized shaving mugs once popular in local barber shops. The peg board where each is hung following adjournment was constructed by A1 Craftsman John Williamson. I like it. Kind of sets the membership apart from the casual drop-in diners.

Fire warning!

Residents in the Aurora Fire Area of Whitchurch-Stouffville (take warning. The call number published in the Chamber of Commerce Information Guide Book is incorrect. It should be 727-1911, not 895-2121. Home owners are advised to post the 727-1911 number in a prominent place where any member of the family can see it. Remember, this is for folks residing in the Aurora Fire Area only and does not apply to those districts covered by Stouffville, Mount Albert or Newmarket.

Pool facts

If you happen to be one of Whitchurch-Stouffville's fortunate families and own a backyard pool, this information is for you. Pools of Stouffville is holding a free Pool Seminar, Monday, May 4 at 7:30 p.m. in Latham Hall. With the summer season just around the corner, the timing couldn't be better. Drop in. It won't cost you anything and it may save you a lot.
