**New T-D bank manager has proud service record**

DENNIS ALLIBON

**Impressed with Town**

By JIM THOMAS  
STOUFFVILLE — An engraved plaque holds a prominent place in the manager's office, Stouffville Branch of Toronto-Dominion Bank.

It's the prized possession of Dennis Allibon. It reads: "For Outstanding Volunteer Service."

Mr. Allibon has every reason to be proud. The award takes in an area with 125 T-D branches and relates to several personal associations including Boy Scouts, Venturers, the Mentally Retarded and the Cancer Society.

It's called "The Green Shield Award."

Mr. Allibon's managerial appointment here commenced April 29. Previously, he'd served at nine other branches including Sault Ste. Marie, Brockville, Kincardine and Sutton. He and wife Paulette reside in Sutton. They have two children, Trevor, 13 and Jennifer, 10.

Mr. Allibon points to what he describes as "the phenomenal growth" taking place in the Whitchurch-Stouffville area. He says he's pleased to be part of a progressive community and this is reflecting itself in the amount of business being done at the T-D Branch.

Staff now numbers 18, both full and part-time.

Mr. Allibon will continue to reside in Sutton where his children attend school and Mrs. Allibon serves as an elementary teacher in Conversational French.

"It's only a 35 minute drive," he says.

Describing himself as "an avid outdoorsman", Mr. Allibon enjoys such outside activities as bicycling and motorcycling.

Right now, however, he's busy acquainting himself with customers, the community and members of staff.
