

Agricrew readies for busy season

By AUDREY MOORE

If you're an enthusiastic and ambitious student with some farming experience and seeking employment, or a farmer requiring assistance to do a variety of jobs around the farm, then check out the Agricrew program. Agricrew is an experience program sponsored by the Ontario Ministry of Agriculture and Food and the Ministry of Skills Development, to assist farmers during the busy summer months.

Crews of four students between the ages of 15 and 24 will do fencing, haying, painting, weeding, hoeing and general farm clean-up. Students work an eight-hour day, arrange transportation to the farm and supply their own lunches, all at a cost of only \$90 a day to the farmer. Crews are available to farmers for bookings from June 29 to August 22 with a maximum of five days allotted to each farmer per

season. There is the possibility that a crew will be available to work earlier than this in the area depending on the response obtained from university students who are out of school earlier. Book crews now to ensure you can obtain the dates desired. For further information about bookings contact: Audrey Moore, Durham & York Youth Employment Coordinator, Canada Farm Labor Pool Office, 170 Queen Street, Port Perry, (LOB INO); Phone 985-3331.

Prices effective thru Sat. May 23, 1987. We reserve the right to limit quantities to normal family requirements. Savings shown in this ad based on Metropolitan Toronto A&P regular retails.
