

# Writer fears wildlife will disappear

Dear Editor:

While it's true, few people frequent the Conservation Area north of Millard Street in Stouffville, the site is inhabited by numerous birds including several Canada geese. If even a portion of this property is made into a public park, this

wildlife will disappear.

At present, people can stroll through the area if they wish. It's not so rough that anyone will stay away for this reason.

I'm afraid if the property is made too public, the wildlife will be frightened away.

I say, let the site remain as is for

now. If the Town runs short of groomed park space, it can always be converted to serve this purpose.

Sincerely,  
Joel Montgomery,

# Over \$24,000 raised in Cancer Campaign

Dear Jim:

On behalf of the Stouffville Branch of the Canadian Cancer Society, I wish to extend my sincere thanks to the community.

The overwhelming success of the April campaign was possible because of the volunteers, the donors and the supporters.

The position of chairman allowed me an opportunity to see a nucleus of the community at work. Scattered near and far was a group of over 180 volunteers who, despite busy schedules, still found time to help. These people are your neighbors, your friends and even members of your own family. They represent the captains and the canvassers of the campaign.

For many, the April fund-raiser is an annual event of dedication and support. Thanks doesn't really say enough to all these caring individuals.

Furthering my experience I wish to share with you, is the generosity of the donors. To begin

the campaign with a goal of \$20,500 and to conclude it with receipts exceeding \$24,000 is quite amazing. I can only trust, the kindness displayed, will one day be rewarded by saying "Cancer has been beaten."

Achieving the success of the 1987 campaign is a direct by-product of local support. The support of your newspaper, the Town of Whitechurch-Stouffville and the business community, really did make a difference. This assist-

ance will always be remembered. One final appeal: April 1988 is less than a year away. Plans are already underway for next year's campaign. If you are willing to help, I'll be pleased to hear from you.

My thanks to everyone. I hope to see you next April.

Sincerely,  
William J. Giles,  
Cancer Campaign Chairman,  
Church Street North,  
Stouffville
