"Girl Next Door"

# Gloria plays clarinet in Williams' Sr. Band

By JIM THOMAS

PRESTON LAKE — Gloria Hall loves music. She comes by this interest naturally. Her father, Bill Hall, plays several instruments; her mother, too.

Gloria's younger sister, Gale, will likely maintain this family tradition.

Gloria's our "Girl Next Door."

A Grade 11 student at G.W. Williams Secondary School, Aurora, Gloria plays the clarinet in the senior band. Only recently, members returned from a competition in Virginia Beach, Virginia. Gloria describes it as "a marvellous learning experience." Last year, the band travelled to Boston.

Gloria attributes her interest in the clarinet to her introduction to instrumental music at Whitchurch-Highlands. She retains good memories of those times.

Gloria also speaks well of G.W. Williams, calling it "a great school." "We're not treated as students but as friends," she says.

Music and English are favorite subjects.

Following graduation, Gloria plans to go on to college, possibly in a course related to Family Studies.

She's a member in the congregation of Gormley Missionary Church. She belongs to the Youth Group there.

Gloria and her family reside on Lakeview Avenue, Preston Lake, only a few steps from the water. "I wouldn't trade this location for anything," she says.

However, Gloria isn't opposed to visiting other places, like Florida, Tennessee and Pennsylvania. She enjoys camping.

Other interests including swimming, water-skiing and skating.

When it comes to saying thanks, Gloria admits she owes much to her parents, also, her teachers at both Whitchurch-Highlands and Williams.

In addition, she appreciates the friendships she's made through the band. "It's like a family," she concludes.

# Students celebrating as studies wind down

By JEFF CARNEY
S.D.S.S. Reporter

STOUFFVILLE — I won't be cute. I won't be fancy. I won't even be wordy. There simply isn't enough space. EVERYTHING — and I mean everything — happened at S.D.S.S. this week, and to make a long story short, we are all celebrating!

Celebrating what you ask? Simple:

(1). The Gr. 13's are celebrating this week because they proved themselves to be the strongest group of students at S.D.S.S. in Thursday's Second Annual Tug Of War Intermural.

Accurately described by Student Council President Duff Wallis as "15 people giving birth to each other," this finale to the intermural season was enthusiastically supported by cheering crowds as opposing teams were dragged through "The Pool." And yes, the Grade 13's sent EVERYONE swimming with their five-for five-record. Congratulations team.

(2). The staff at S.D.S.S. are celebrating because their day of slavery is over. Wednesday's lunch period witnessed the long-awaited "Teacher Auction," where staff members were sold to individual students for a day.

The prices ran high, from $105 for principal Peter Bright, to $25 and $30 for Guidance Head Doug McCammon and Phys. Ed. Head Dave Connell respectively. The "slaves" performed a number of tasks; from a candlelit luncheon for two in the cafeteria, to group car washing, to recitations over the public address system, to allowing a 15 minute recess on Wednesday afternoon. The entire day was one of fun and adventure with the proceeds going to Stouffville High's S.A.D.D. program (Students Against Drunk Driving).

(3). All people involved in the music department are celebrating Wednesday's Spring Concert. This annual event, held at the Markham Theatre, was a success—the music was great and the singing was fantastic! The 1986-87 band and choir season is now officially over, the Spring Concert ending our year on a "positive note!"

(4). Physical Education Department Head Dave Connell is celebrating this week for several reasons. First, the intermural Fitness Challenge is now completed, with records being set by this year's crop of athletes. Second, the Annual Athletic Banquet is fast approaching; and last, he, along with fellow Phys. Ed. instructors Jim Fletcher and Scott Croucher handily defeated the Gr. 11 select team in the First Annual Three-on-Three Floor Hockey Tournament by a score of 12—7. Congratulations Sirs!

(5). Select members of the Inter School Christian Fellowship's Executive are celebrating this week because we FINALLY got our bars!

(6). Finally, I'M celebrating this week. My girlfriend and I just celebrated our first anniversary, the Boston Celtics made it into the NBA playoffs, and well, it is summertime!

So come on and visit S.D.S.S. Join our summertime celebration!

## Single ownership

STOUFFVILLE — The Wedding Room, formerly a successful partnership that included Jean Barclay and Bunny Burton, is now a solo venture.

According to Mrs. Barclay, complete ownership of the bridal boutique was transferred to her after Mrs. Burton decided to maintain her floral shop (Bunny's Flowers) as a full-time endeavor.

Although the Wedding Room will see the addition of several part-time employees, Mrs. Barclay says all in-store operations will remain the same. New store-front awnings will be installed this summer, Mrs. Barclay said.
