

Students 'down on the farm' this summer

This summer, across Ontario, 220 students will be having the experience of a lifetime participating in the Junior Agriculturalist program. Sponsored by the Ontario Ministry of Agriculture and Food and the Ministry of Skills Development, the Junior Agriculturalist program provides an opportunity for non-farm students to develop an appreciation of rural life by working and living on area farms.

The young people, ages 16 to 18, become a part of the farm family from June 22 to August 23 and, in doing so, experience a whole new way of life. The student receives a training allowance of \$20 per day, plus room and board and has every second weekend off. Half of the \$20 is paid by the host farmer and the remaining \$10 by the Ontario Ministry of Agriculture and Food.

Farmers who display patience, have the desire and ability to work with youth and are interested in the program, are encouraged to participate as a host farmer. Further information along with application forms are available from: Audrey Moore, Durham & York Youth Employment Coordinator, Canada Farm Labor Pool Office, 170 Queen Street, Port Perry, (LOB 1N0), Phone 985-3831.

Prices effective Wednesday, June 3rd thru Saturday, June 6th, 1987. We reserve the right to limit quantities to normal family requirements. Savings shown in this ad based on Metropolitan Toronto A&P regular retails.
