Adopt safety plan

By DENISE McDONALD
Whitchurch-Stouffville Council has approved York Region Board of Education's proposed draft to establish a safe arrival program at elementary schools within the municipality.

"The policy will basically consist of the school taking attendance at the start of each day and if a child is not in class, someone will be assigned to phone home and determine his/her whereabouts," Councillor Wilf Morley explained at a May 26 meeting.

According to the proposed draft, the Board's policy will ensure all elementary schools establish and maintain a safe arrival program; give parents the option of excluding their children from it; welcome parent volunteers, including such organizations as the Block Parent Group; and encourage parents, teachers and students to share in the responsibility of ensuring that everyone arrives safely at school each day.

Claremont on track

Students at Claremont Public School displayed their athletic prowess Friday at the school's track and field day. Some of the meet's top individual performances came from multiple ribbon-winners Jackie Marks (front), and (from left) Darrell Vanderligt, Bronson Kingston and David Jones.
