

Markham splits pair

A two-game home-and-home baseball series between Newmarket and the Markham Automotive Midgets has ended in a split.

Markham took the first outing 11-6, but Newmarket reversed that with a 10-5 triumph. The locals started the second battle with two first-inning runs on singles by Darrin Jones, Vimpi Juneja and Rob Parsons.

Newmarket came back with three runs of its own, then added another trio in the second and two-run innings in the third and fifth frames.

Markham tallied singles runs in the second inning (courtesy of a Chris Lamarre double), third (on a Tim Welker single) and sixth (thanks to Jones and Mark Redvers hits).

Royals 16 — Thornhill 6
Tacc Const. 11 — Thornhill 5
Fathers 15 — Red Rose 5

'Braced' for action!

Some members of Markham-Stouffville's younger set would balk at showing off their braces in public. Not so for Markham Tennis Club members Adam Stoddart (left) and Robin Merrick. They struck this

pose for Weekender photographer Bill Lanning, just before hitting the courts for a Junior house league round-robin game Wednesday afternoon.

Audi
The most important standard feature of every Audi parks in your wallet. Next to your money.

Audi THE AUDI CARD

In an age of mind-boggling technology there's one piece of automotive ingenuity that really stands out.

The Audi Card. It is perhaps the single most impressive standard feature available on any car sold in the world today. With the Audi Card you look

after gas and insurance for three years and we look after practically everything else.

Including tune-ups and oil changes. Ask us for details. So when you pull in for maintenance you just pull out your Audi Card. And leave your money parked in your wallet. Where it belongs.
