ANOTHER PROGRAM FROM ASSURED HOUSING FOR ONTARIO.

MAKING YOUR HOME OR RENTAL APARTMENT MORE LIVABLE FOR DISABLED PERSONS.

HERE ARE 3 WAYS YOU CAN QUALIFY FOR FINANCIAL ASSISTANCE.

- 1. Homeowners:** Are you disabled or do you have a disabled relative living with you?
Forgivable loans of up to \$15,000 are available to help you make modifications to your home for yourself or a disabled family member. For example: building wheelchair ramps, modifying kitchens and bathrooms.
Loans received through our Ontario Home Renewal Program will equal the cost of the work undertaken.
- 2. Convert part of your home or non-residential building into a rental apartment.**
Interest free loans of up to \$5,000 are available to make new rental units for disabled occupants in single-family homes and non-residential buildings.
This special financial assistance is in addition to a \$7,000 per unit loan which you could qualify for through our Convert-to-Rent Program.
- 3. Landlords of older low-rise buildings can also get assistance.**
Are you the landlord of a low-rise apartment building built before 1960? You could qualify for a forgivable loan of up to \$5,000 to make your rental units more livable for disabled persons.
This amount is in addition to a forgivable loan of up to two-thirds of the cost of rehabilitating units in older low-rise apartments (loan maximum is \$5,000 per unit). These funds are available through our Low-Rise Rehabilitation Program.
