Mini prints

Ink stains were the order of the day at McDonald's restaurant last Wednesday as several children were 'inked' during Child Find's Awareness and Identification day. It was all part of a photograph and fingerprint event staged to raise parents' awareness about protecting and street-proofing children. Young Nicholas West readily offers his handprint (top photo) to York Regional Police Constable Don Clark as Nicholas' mother Anne-Marie looks on, while one-year-old Abraham Elsharkawy has his hands cleaned by Erin Glover.
