

Cub/scout leaders scarce in Milliken

By BARBARA YANEVSKY
Beavers, cubs and scouts will find there's no room for them in Milliken where the shortage of adult leaders is a crisis.

The leaders' positions are open to all residents who live west of Kennedy Rd., north of Steeles Ave. and south of 14th Ave.

Training is provided and the groups require only two hours weekly. Interested adults can sign up Tuesday, Sept. 15 between 6:30 and 7:30 p.m. at Milliken Mills Public School.

Boys wishing to join the programs can register at the same location and time.

Calypso Corn Roast
Remember that this coming Sunday is Armadale South and Central Association's Calypso Corn Roast. Be sure to come out and take part in the fun.

The corn roast will be taking place at Milliken's new Armadale Park. The park is situated at the corner of Denison Street and McCowan Road. Official opening ceremonies for the new park will

be held in the early afternoon, followed by the Calypso's opening ceremonies.

For all the gardeners in the area, a special "surprise" draw will be held at the corn roast, determining the winners of this year's Armadale South and Central's Garden Competition. Winners will receive gift certificates. Come out and see if you won a prize.

There will be a lot of freebies for the youngsters including entertainment by Uncle Bobby and His Friends, guest appearances by the A & W Root Bear and Chuck E. Cheese and friend.

Continuous entertainment will be provided by the excellent Metrotone's Calypso Steel Band.

The Calypso Corn Roast starts at 1 p.m.

North Armadale Community Association

Chris Majsztrik of the North Armadale Community Association invites residents who are new to the north Armadale district to come and join the North Armadale Community Association.

This is an incorporated non profit community association geared towards providing activities and community services for residents within its boundaries.

A big emphasis has been placed on providing activities for the children in the community. The association has accomplished this task by establishing a Beavers and Cubs league, initiating karate lessons taught by experts in the martial arts field. These lessons were available during the past year and are being arranged for the upcoming year.

Since becoming a full-fledged community association many fundraising activities have taken place including a garage/bake sale in the spring, a very successful street party in June, and more recently, a Summer Blitz Day complete with a car wash, bake sale, entertainment and refreshments.

A softball house league was also formed over the summer. A special banquet is being planned for the players and their spouses on Oct. 10, at the Unionville Veteran's Club.

Past events included a Halloween party, a membership party for all association members, and a festival of lights contest during the Christmas season. A snow blower and a ceiling fan were the prizes awarded to the lucky winners.

Committee members are now busily planning their fall schedule. Among upcoming events will be an auction at Wilclay Public School, of which the proceeds will be donated to the Milliken Block Parent Association, and a Halloween party for the children.

In addition to all these "fun" activities, the association also has a complaints department which deals with problems that new homeowners may have with their homes.

Sound interesting? Want to join? Then give Chris Majsztrik a call after 7 p.m. at 479-3089. New members are always welcomed.

Karate Lessons
The North Armadale Community Association will again be offering karate lessons for children this year. The lessons are scheduled to begin towards the end of the month. The lessons will take place at Wilclay Public School. The course runs 10 weeks.

Fees are \$25 for members and \$35 for non members.

For registration please contact Scott Fowlds at 477-6125.

Better busing

GO delivers better bus service between Bayview Plaza and Finch subway starting Tuesday Sept. 8. The service provides a convenient replacement for Markham Transit Route 1 which will be rerouted the same day.

Commuters may pick up the new pocket timetable on any Bayview GO bus or from the York Region Terminal.
