

OPPORTUNITY IN SALES

A well established growing Canadian company is looking for a motivated person to start in our Customer Sales Service Department, with opportunity to advance to Sales Representative.

We offer: Opportunities for advancement

- Excellent benefits
- Profit sharing plan
- Stock option plan

The position entails servicing our customers by telephone and mail, price quotations, order entry and other sales related functions.

If you have a minimum of 2 years business experience, some post secondary education and are seeking a career in sales please reply in writing to:
