THE Finest! MARKETING SYSTEM

Our Catalogs of Homes are unique in the industry because they're designed to be used by the public. So go ahead . . . take one home. Compare prices of properties in your neighborhood or clear across the country. Over 15,000 listings complete with descriptions and pictures. A high-tech computerized listing system allows us instant contact with all our NRS offices. From these communications, we continually update our Catalogs. This way, we can also alert you to a 'new' listing or one that has just been sold.

Our Catalogs of Homes. You'll agree. They're foremost and the finest!
