WAREHOUSE SUPERVISOR (401 & 404 Area)

Our client is a private, well-established distributor of Air Conditioning, Refrigeration and Heating Systems with branches throughout southwest Ontario. Continued growth has result in the urgent need for an aggressive "hands-on" Warehouse Supervisor.

This position is high profile and autonomous, requiring a self-starter with a sense of urgency. The ideal candidate will have industry experience, knowledge of computerized inventory control systems, responsibility for vehicle dispatch, and some exposure to building maintenance.

Excellent salary, benefits, bonus and working conditions will be provided to an aspiring, people oriented, take-charge person possessing enthusiasm, integrity and the desire to advance their career.
