'It's a small world'

By JIM THOMAS
STOUFFVILLE — It's a small world.

When Sandra Penner of Landmark, Manitoba arrived in Stouffville, Aug. 30 as part of the S.A.L.T. program, (Serve And Learn Together), who should she meet but Ann Nikkel, a resident close to her home town.

Ann, now with the Life Enrichment staff at Parkview Home, became Sandra's "big sister". The two cross paths frequently.

Sandra, 19, works out of The Care and Share Shoppe, 39 Main Street West, Stouffville. Her placement here, arranged through M.C.C. (Mennonite Central Committee), concludes at the end of July. She's planning a trip home for Christmas.

It was back in January that San-

dra began making plans for her assignment through M.C.C. "This gave me time to adjust," she says.

But where is Stouffville? Sandra asked herself. "I knew it was somewhere near Toronto," she recalls. After 33 hours spent on a bus, she was hoping it was somewhere close.

So far, the experience has been rewarding. Still, she misses home and honestly admits looking forward to seeing her family in December. She has five older brothers.

Sandra is a member in the congregation of Landmark Evangelical Mennonite Church. She's presently attending at Hagerman Mennonite Church, east of Kennedy Road on 14th Avenue, Markham.

Working in a store like Care and

Share isn't new to Sandra. Her mother is a volunteer at a Self-Help Store in Steinbach, Manitoba. Sandra has assisted there.

Sandra enjoys such extracurricular activities as playing the piano, reading, volleyball and softball. At the conclusion of her placement, she hopes to attend Bible college, then go on to university.

While in Stouffville, Sandra hopes to see some of the sights including — the Science Centre, Wonderland and Niagara Falls. However, like the song says: "You can take the girl out of the country, but you can't take the country out of the girl." Sandra admits she has no intense love for the city. Landmark, Manitoba, with its five hundred people, is city enough for her.
