Engine Tune Up

Free Snow Shovel with this special

- We Will:** • Replace spark plugs • Replace fuel filter • Replace Air Filter
• Replace PCV valve and rotor • Replace crank case and breather filter
• Replace cannister filter • Shampoo motor.

This is a complete special. All parts normally required are included. We use only genuine GM parts.

ONLY \$105⁹⁵
Price slightly higher on fuel injected engines. (Diesel excluded).

Cooling System Special

Free Airline Safety Inspection

Engine coolant may become contaminated & discoloured when used beyond the time & mileage intervals specified. This condition is an indication that the inhibitors in the coolant have become ineffective. This will result in heater and/or radiator corrosion as well as frost plug and head gasket deterioration.

Anytime the coolant has an obvious rusty appearance it should be drained, flushed & refilled with a new coolant that meets GM specifications. Drain, flush & refill every two years.

This is a complete special. Includes parts, labour, up to 8 litres of Anti-freeze & 1 inhibitor kit. We use genuine GM parts.

ONLY \$69⁹⁵

Lubrication Special
