294-9770

The Corporation of the Town of Markham, has a career opening in its Engineering Department, Waterworks Division, for an

Engineering Technician

You will coordinate and assist in monitoring, approvals and sampling of water and sanitary systems, including processing of residential house connections. In addition, you will prepare engineering standards related to waterworks, update or prepare geographical documentation, provide information to the public, and coordinate sub-divisional assumption. Drafting and computer-related work are required.

Specific skills in civil technology, acquired in community college of a technician level or equivalent, complement several years' experience in this field or a similar position related to water and sewage distribution and collection systems. A high school graduate with strong communication skills, you have a working knowledge of PC use, as well as familiarity with Lotus 1-2-3 and D-Base 111+. You must be a member of, or eligible for membership in, OACETT.

We offer a salary from \$27,638.00 to \$30,970.00 per annum, comprehensive benefits, plus career growth potential.

Please apply on or before November 18, 1987 to:

Department of Human Resources,
