

# Whipper Watson's ready with telethon fund raiser

Newmarket's Old Davis Tannery Centre will host the Whipper Watson Cat Scan Campaign's telethon in December. The shopping centre has offered thousands of square feet of working area for the York County Hospital's 20-hour extravaganza.

More than 1,300 performers, volunteers, guests, cable TV technicians and crew are participating in the event, which will be broadcast on Roger's Cable Television between 1 a.m. and 1 p.m. on Dec. 5, and 9 a.m. and 5 p.m. on Dec. 6.

The telethon will be the largest ever held on cable television. 500,000 Ontarians in the area will be able to view the event. The telethon is the climax of a 6-month campaign to raise \$1.7 million for a Cat Scan, used as a diagnostic device.

REALISTIC®  
**PC2000**  
HIGH TECH PERM COMPUTER SYSTEM

Everything you ever wanted in a perm is here!

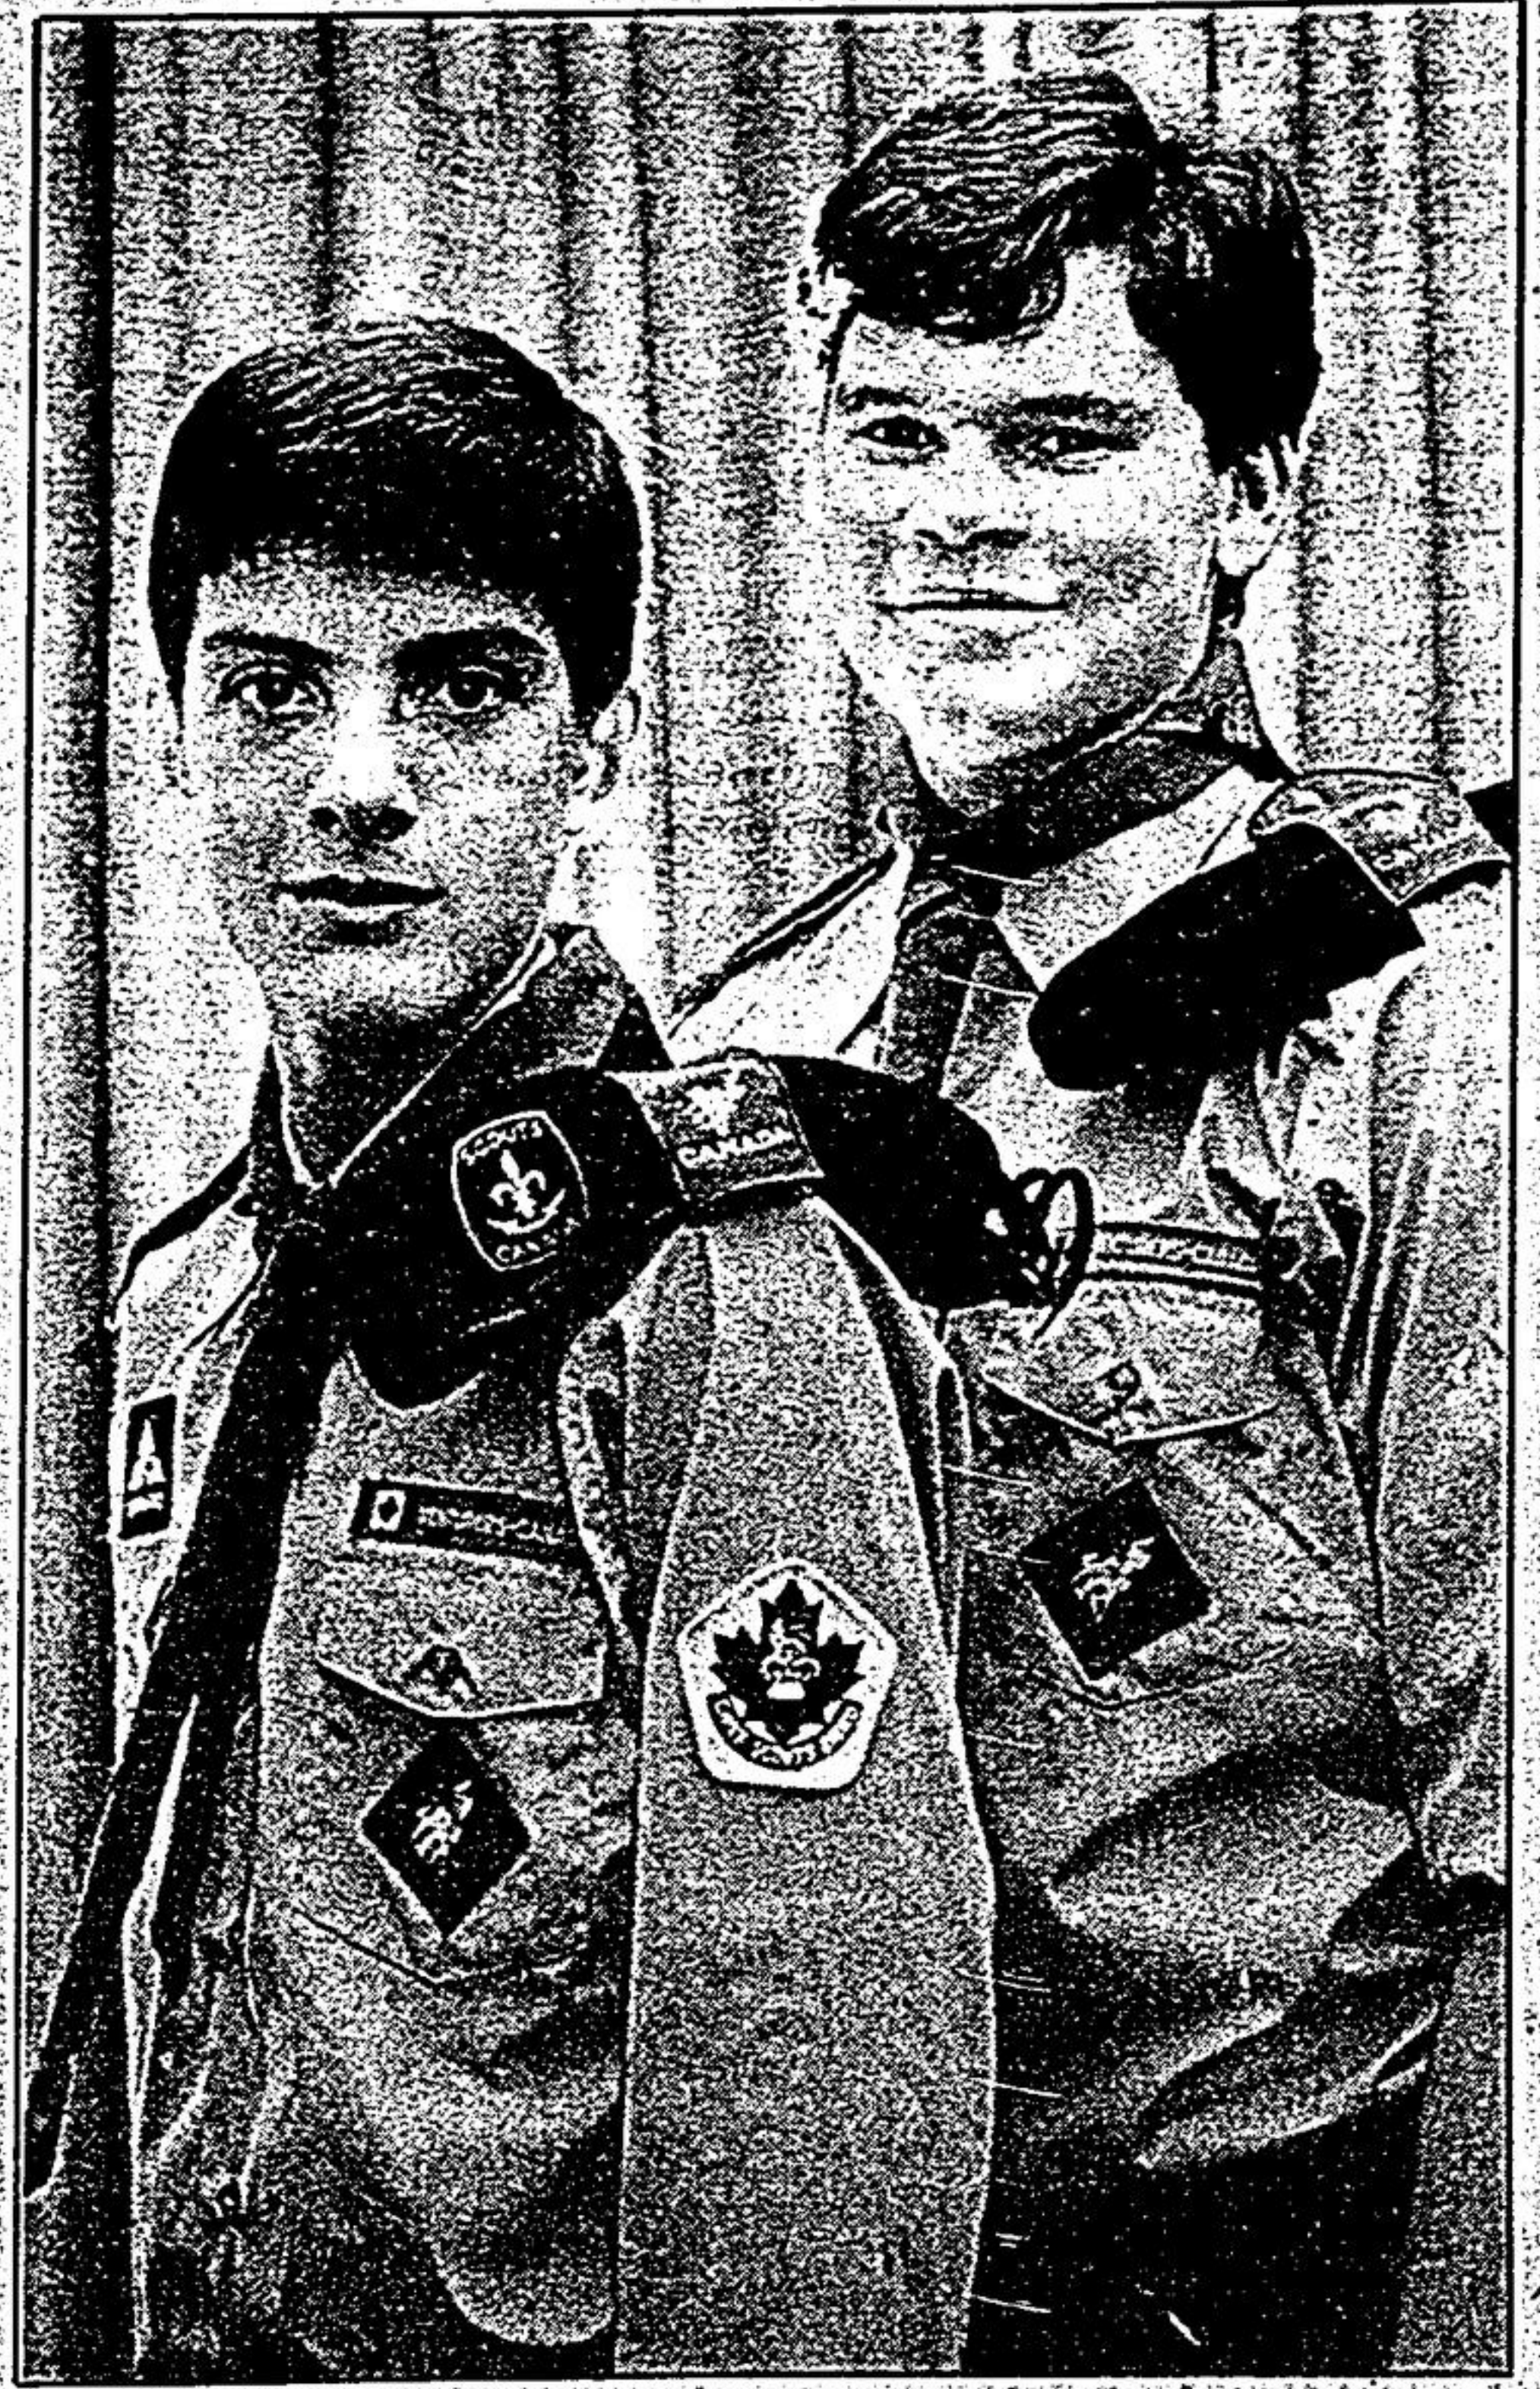

WHAT IS IT?

PC 2000 is a real computer dedicated to only one function, to enable you to receive a precise, computer based analysis of the variables that will result in perfect perms.

It's a complete system that combines the hairstylist's skills with advanced chemistry and high tech computer intelligence to achieve extraordinary perm results.

HOLIDAY 2 FOR 1 SPECIAL!  
Bring a friend and you both pay half on the PC2000 PERM
