Jeffries leads way

Second and third-period goals by Mike Jeffries sparked the Unionville Motors Bantams to a 4-0 exhibition win over Thornhill.

Austin Brennan and Mike Nucci had the other tallies. Brennan, Derek Candolini, Kevin Green, Tom Watson, Damon Merkley and Chris Stover assisted. Mark Dawkins and Mark Falzon shared the shutout.

League action saw the locals win two of their last three outings. Nucci, Watson and Gary Wong connected in a 3-1 decision over Ajax. Watson, Brennan, Darren Crawford, David Maybury and Rob Gwynne collected the assists.

That win gained revenge for an earlier 3-2 loss to Ajax — a game called on curfew. Jeffries (from Crawford & Nucci) and Watson did the damage.

Crawford, Stover, Jeffries and Watson handled the scoring in a 4-2 win over Kingston. Nucci (two), Crawford, Gwynne, Maybury and Steve Corrick earned the set-ups.

Overtime victory

The Golden Griddle Minor Peewees split two games in a Warkworth tournament, beating Lakefield in overtime and losing to Millbrook.

Geoff Brookes had the winner in the Lakefield contest. Rick Franklin also scored. Franklin and Bryan Maybee had assists.

Exhibition action saw Franklin score twice and Brookes once in a 3-1 win over Newmarket. Maybee, Brookes, Franklin, Jim Simpson (two) and Toni Searle assisted.

Overtime victory

Michael Frizzell's second-period marker was all the Noroc Sports Minor Novices could manage in a 2-1 loss to Pickering. Boyd Major and Craig Walters assisted.

The squad also dropped a 6-0 exhibition decision to Scarborough.

Crawford nets 2

Two goals from Robert Crawford helped the Optimist Club Minor Peewees stage a big third period rally and beat Whitby 4-3. Colin McNicoll and Gary Noel also scored.

Jamie Antoine & Ryan Hosford (with two apiece), Marcus Spain, Brandon Timmins, Paul Searle and Darrell Hughes were the assist-getters.

McNicoll and Noel scored to give Markham an early 2-0 lead over Kingston, but the opposition roared back to win 5-3.

Timmins notched the other tally. Hughes, Noel and Crawford collected the assists.

Markham started slowly against Belleville, but rallied from a 1-0 first-period deficit (thanks in part to a five-minute power play) to post an easy 7-1 triumph.

Spain, McNicoll and Dean Mann had two goals each, with Jamie Antoine completing the offence. Paul Webb (three), Hosford, Searle, Timmins and Mann had the assists.

Strong performances came from netminders Ryan McVey and Mike Samways.

Undefeated in tourney

The Markville Toyota Midgets won a game and tied two more in a Belleville tournament last weekend.

Mike Brennan (with two) and Kevin Thornton handled the scoring in a 3-2 win over St. Catharines. Dan Tinkler (two), Jamie Gibson and Greg Hicks had the set-ups.

Second-period goals by Derek Power (from Paul Pachis) and Greg Pierce (from Rich Broughton) allowed the locals to rally from a 2-0 deficit and tie the York Toros 2-2.

A two-goal third-period comeback earned the club a 3-3 draw with Belleville. Broughton (two) and Pachis supplied the firepower.

Assists went to Brennan, Pierce, Jim Hutchinson, Gord Roblin and Bill Millar.

League action saw Broughton (two), Tinkler, Pierce, Greg Hicks, Thornton, Pachis and Toby McHale tally in an 8-5 win over Pickering. Earning the set-ups were Hutchinson (three), Tinkler & Kyle O'Brien (two each), Pierce, Thornton and Derek Power.

Hutchinson & Broughton (two apiece), Hicks and Pachis connected in a 6-4 win over Whitby. Hutchinson, Pierce, Broughton, Tinkler and Chris Lamarre had assists.

Power (two), Thornton, Tinkler, O'Brien and Miller did the damage in a 6-4 win over Ajax. Hutchinson (three), Broughton, Brennan and Hicks earned the set-ups.

Netminder Steve Shackleton stopped a third-period penalty shot. Markham has six wins and one loss in league action.

Cooper scores twice

Two goals by John Cooper and one from Kevin Wilson helped the Uncle Robert's Pizzeria Atoms down Stratford 3-1. Robbie McGarrigle, Mike Bevacqua, David Green and Jason McKenna assisted.

Markham blew a 3-2 second-period lead, losing 4-3 to St. Thomas. Cooper (with two) and Brett Strano handled the scoring. McGarrigle, Bevacqua (two) and Ryan Treacy earned the set-ups.

Wilson connected twice and Treacy once in a 4-3 loss to Belleville. Treacy, Wilson, Green and Ernie Tyrrell collected the assists.

Third-period rally

The McCowan Mobile Mix Minor Atoms responded to North Toronto's first-period goal with seven in the third, to earn a 7-1 exhibition win last week.

Brent Hughes had four goals, Neil Garland two and Zac Spain one. Brett Mooney had two assists and Sean Burns one.

A 4-4 exhibition draw with Brampton saw Hughes with two goals, and Mooney & Scott Ponsford with singles.

Set-ups went to Mooney, Darren Webb, Spain (two) Hughes and Jason Valin.

Scoring machine

Mike Gellard's four goals and one assist was more than enough for the Markham Rotary Club Novices to take a 6-2 exhibition win over Malvern.

Greg Gilpin and Richard Morra had the other tallies. Morra, Anthony Grossi, Richard Morra, Jeff Bl and Charlie Mott earned set-ups.

Morra (from Gellard & Mark Burrell) and Gellard (from Bell & Grossi) were the marksmen in a 2-1 exhibition victory over West Hill.

Gellard (from Morra & Grossi) and Morra (from Burrell & Gerrard) did the damage in a 4-2 exhibition loss to Unionville.

Markham's exhibition battle with Bolton saw Gellard back on the warpath, scoring four times in a 5-1 triumph.
