Pioneer ornaments for your Christmas tree can add an old-fashioned look to holiday celebrations. This tree is decorated with folk art Santas, plus wooden berries and farm animals.

The beauty of snow and ice is captured by the crystal, white and silver decorations on this tree. It's perfect as a centerpiece for a formal holiday table.

To create a romantic fantasy, try decorating with Victorian ornaments. This tree is topped with two nestled birds symbolizing love and harmony.

Themed Christmas trees new trend for the holidays

A Christmas without Christmas trees? Not likely, since it is a well-established Christmas tradition. This year, trim your full-sized tree, plus a bevy of smaller trees to use as decorative accents or table centerpieces!

There's a new trend in Christmas tree fashions — themed trees. The decorations on these trees are carefully chosen to coordinate with each other to produce a special effect (perhaps all Santas or all bows).

"We see", says a department store spokesman "that the most

popular decorating themes reflect a nostalgia for the Christmas and handicrafts of the past: Victorian romance, antique toys, Early Canadian, Old World European, and teddy bear, Santa, and angel ornaments are some of the most sought-after."

Seasonal color combinations can also establish themes: White and silver for crystal frost, red and white for candy cane.

A themed tree does not have to be expensive. Decorate with

small white lights and a large number of solid-colored Christmas balls. These create a background on the tree, against which your carefully selected theme decorations will be highlighted.

For best emphasis, hang the theme ornaments on branch tips, especially where the garland loops up, leaving space between each one.

Celebrate Christmas with creative trees throughout the house... trees whose themes reflect what Christmas is to you.

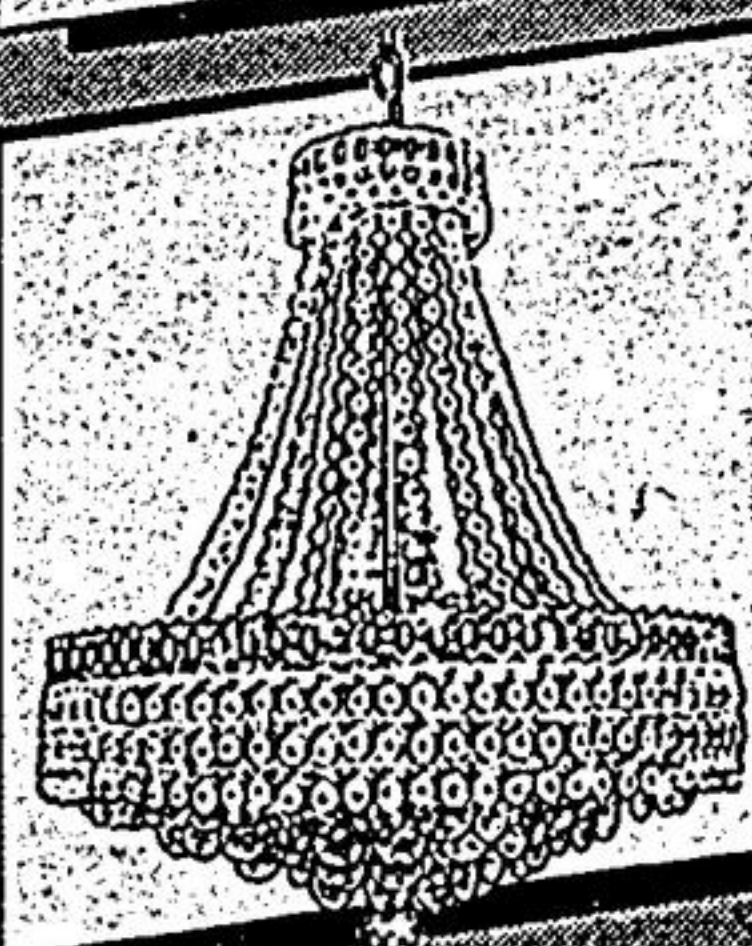

We Make Your Lighting
Exciting!

Savings ▶ Over 50 store buying power is your assurance of lower everyday prices!

Service ▶ Fully trained, professional staff who are happy to serve you!

Selection ▶ We shop the world over to bring you the latest styles and colours!

Satisfaction ▶ We assure you of total satisfaction with everything you buy—Guaranteed!
