

### Giving group

Markham Steelcase Canada employees topped the list again this year with their contribution to the York Region United Way. Eighty-five per cent of employees gave in the new campaign, totalling some \$40,000. Here (from left), Steelcase's in-house fundraising co-ordinator Bonnie Lindsay, Steelcase President Peter Wege, United Way volunteer Len Grott and campaign co-ordinator Gina Granger celebrate the total with a deed and model truck.
