Figure skaters hit Quebec for finals

Unionville Skating Club duo Dara Bailey and Bill Downs are off to Quebec next month for eastern division finals after skating to a second place finish in Toronto last week.

Bailey and Downs, who recently completed the last of their gold dances in compulsories, finished second in the Central Ontario Sectional Competition, allowing the advancement.

At the same event, skater Mathew Smith finished second after a strong performance in the Men's Pre-Novice competition.

Meanwhile, Michelle Smith finished third in the Juvenile Ladies Elements at the Keswick Invitational event earlier this month. Also compet-

ing were Jenny and Laura Summerfeldt.

At the Skokie Skate '87 in Hunstville, four Unionville Skating Club members finished with impressive results.

In the Pre-Novice Test Stream Jennifer Ritter took a second place in flight and third in finals, while Heather Musgrave placed fourth in flight.

In addition, Michelle Smith was first in flight and eighth in finals. Kevin Wilson was second in finals.

Julie Clevely skated to third in flight and 12th in finals, while Liane Seal was first in flight and 10th in finals in the event's pre-novice competition.
