COMPUTER CONNECTION

Don't buy your computer from a store that sells toys.

Go straight to the experts — the Apple® experts at Computer Connection. If it works on, with, through, or for an Apple Computer, Computer Connection has it!

Apple IIGS™ — the only thing you can't do with it, is outgrow it.

- Features enough power to run a small business or a small factory.
- The Apple IIGS can read your kids a bedtime story — or teach them how to read.
- The Apple IIGS is quick, smart, colourful, and communicative; with a mind to penetrate today's problems, and an eye to the future. And right now, the Apple IIGS is specially priced at Computer Connection.

For more information, drop in or call your nearest Computer Connection location — today!
